THE county officials have completed the assessment of Queen Anne's county. The whole property in the county is assessed at $6,712,651.

The old assessment was	$8,355,191
New,	6,712,651
Loss in Valuation,	$1,642,540

Under the new assessment the taxpayers of Queen Anne's will save about $2,000 a year on the State tax.

The railroads in Queen Anne's county, included in the above, are assessed at $75,000.

FEED THE BIRDS.—The birds that remain with us during the winter months, says the Centreville *Record*, are so nearly starved out from the long continuance of sleet and snow that those fond of sport would be much better engaged in feeding the poor creatures than in hunting and trapping them. By feeding the partridges with screenings from the threshing yard, during the continuance of the snow, hundreds may be saved to produce a crop next year. The little sparrows that chirp around our dwellings this gloomy weather can almost be tamed by throwing them crumbs. History informs us that the inhabitants of the cold countries of Europe, in the agricultural districts, feed the birds by placing sheaves of wheat or barley on poles in different localities of the farm. Let our farmers imitate their humane example and give of their supply of grain to the starving birds.

TERRIBLE ACCIDENTS.—These we do not wish to read about, but everybody wants to read how to get a valuable present. It may be got for a club of three or even two subscribers to the AMERICAN STOCK JOURNAL, which is perhaps the cheapest farm periodical published. In fact it contains a mine of valuable information, that the farmer and his family cannot afford to be without. All who subscribe now get the three last numbers of 1876 as a gift. We will send the AMERICAN STOCK JOURNAL and the STAR together one year for $2.50.

DEATH OF PROFESSOR BLISS.—Among those who lost their lives by the Ashtabula railroad disaster was the eminent musical composer Professor P. P. Bliss, and his family, of Chicago. Professor Bliss visited Easton somewhere about 1869, held a musical convention and made many warm friends here. He was distinguished principally as a composer of Sunday School music, and his hymns and tunes are very popular, and are extensively used in our Sunday Schools. He was a handsome man, and very gentlemanly in his manners. The news of his unfortunate and violent death has been received here with deep regret by the musical fraternity. At the Methodist Protestant Church on Sunday night, the choir sung the hymn and tune composed by Mr. Bliss, commencing

> "He's gone, he's gone, gone to the Silent Land,
> Over the river of Death,"

and many of the congregation were affected to tears. The loss of this truly useful man will be deeply lamented, especially by the Sunday Schools of the country, in whose behalf he had labored so successfully, in elevating the tone of Sunday School music. Professor Bliss was born in Rome, Bradford county, Pennsylvania, and was a brother of Mrs Clark Willson, who once resided here, and was so popular a singer in our churches.

"OLD RELIABLE."

There are many reputed remedies for that very prevalent disease, Chronic Nasal Catarrh, but none which have given general satisfaction and become acknowledged standard preparations, except Dr. Sage's Catarrh Remedy. It continues to enjoy an unprecedented popularity. This reputation has been earned through the permanent cures which it has wrought, having proved itself a specific in the worst forms of the disease. Pierce's Pocket Memorandom Books are given away at the drug stores.

THE LOUISIANA INVESTIGATION.

NEW ORLEANS, January 5th.—The Senate Committee this morning examined three colored men in regard to the election in Moorehouse parish, all of whom testified that a large number of colored men voted the democratic ticket at the last election, and there was no intimidation. Two more witnesses testified to a fair and peaceable election in Moorehouse parish, and that a number of negroes voluntarily voted the democratic ticket.

The House sub-committee heard several witnesses in reference to Livingston parish.

E. B. Lockport, republican candidate for sheriff, stated that he was fairly defeated, and the election was fair and peaceable.

George White, colored, said his house was burned because his sons were accused of stealing hogs; never said it was burned because he was a republican; if the affidavits to that effect were before the returning board they were false.

SENATOR GORDON ON THE SITUATION.

HE THINKS MR. TILDEN WILL BE PEACEABLY INAUGURATED.

WASHINGTON, D. C., January 5.—Senator Gordon, of Georgia, has addressed a letter to Governor Colquett, of that State. which is approved by leading democratic members of Congress. He thinks that Gov. Tilden was fairly, peaceably, constitutionally elected. Such is the conviction, he thinks, of the country, of all democrats and of a large body of republicans who supported Mr. Hayes. How any unpredjudiced man can doubt it, or how his inauguration can be defeated, with any show of compliance of law, seems to him beyond comprehension. In view of the considerations which Senator Gordon gives, he is almost ready to say Mr. Tilden will be peaceably inaugurated. He has faith that the power of truth and reverence for law will control such a body as the United States Senate. It is no secret that there are republicans in both houses of Congress who will never consent that the Vice-President of the United States shall exercise the extraordinary and dangerous powers which the extremist seek to confer upon him, and he knows of no other method by which Mr. Hayes can be counted in.

FOREIGN NEWS.

Opinions conflict as to the chances of war in the East——The Roumanian Senate resolves that the rights of Roumanians shall remain intact——German officers on the active list are forbidden from entering the Russian army——The Austrian Sclavs are incensed against the Russian plan of annexing Old Servia to a Bulgarian province——A scarcity of grain is apprehended in Persia——The extradition treaty between Spain and the United States has been signed at Madrid——At the French cabinet council on Friday, Minister Simon announced the dismissal or transfer of twelve prefects——Alsace and Lorraine will have power to make laws subject to approval by the federal council independently of the German Parliament.

—The town of Darlington, S. C., was fired simultaneously in three places on Friday morning. The office of the Darlington Southerner and another building were destroyed, but the exertions of the people saved the town. This makes the fourth attempt to burn Darlington since the November election.

Business Locals.

☞I. L. Steiman, the ready-made clothe dealer, on Dover street, has just returned from the city with a very large and *very cheap* stock of overcoats, dress coats, business coats, boys' coats, pants, vests, and under clothing. His long experience and thorough knowledge of the clothing trade, enables him to buy where the best bargains are to be had, and his large business has been built up by selling at *a very small profit*. He offers now greater bargains than ever before. In *fine coats, vests and pants*, he defies competition, and earnestly invites those wanting new suits to call and see for themselves.

From J. C. Smith, Esq., of Lewisburg, Pa.

Some eight years since I was attacked with a very severe cough, the long continuance of which alarmed me very much, and brought me to look for some remedy to rescue me from the condition in which I found myself. I applied to different physicians, but received no benefit. WISTAR'S BALSAM OF WILD CHERRY was recommended; I gave it a trial, and was relieved of my cough before using half a bottle. I kept on using it until permanently cured. I would also say that several of my friends have used the Balsam with astonishing results. Yours truly, J. C SMITH.

CAUTION!—Beware of preparations bearing similar names. Examine the bottle carefully before purchasing, and be sure you get DR. WISTAR'S BALSAM OF WILD CHERRY, having the signature of "I. Butts" on the wrapper. 50 cents and $1 a botte.

—The Supreme Court of Massachusetts has sustained the lower court in its decision that Israelites must be held amenable to the laws of the State regulating the observance of Sunday. The case grew out of an attempt to keep a store open on that day.

They have the satisfaction of controlling the most extensive and complete advertising connection which has ever been secured, and one which would be hardly possible in any other country but this.
