THE EASTON STAR

TUESDAY, DECEMBER 6, 1881.

T. K. ROBSON, Editor.

L. JEFF. MILBOURNE & CO., Newspaper Advertising Agents, 139 West Baltimore street, Baltimore, Md., are authorized to contract for advertisements for THE STAR, at our best rates.

CONGRESS met yesterday. Gen. Kelfer was the Republican caucus nominee for Speaker of the House.

THE Guiteau trial is still progressing. Guiteau was on the stand as a witness three days last week. He gave a full account of his past life and crankiness. Judge Porter cross-examined him. Some questions he refused to answer, and some of the scenes between them were decidedly rich.

A good purgative medicine is one of the absolute necessities of the age. This want has been supplied by Dr. J. C. Ayer & Co., whose celebrated Cathartic Pills are known to be the safest, surest and best purgative medicine ever offered to the public. They are mild but certain in their effects, and keep the system in good condition.

Presiding Officers of the Next Legislature.

Hon. G. H. Williams is spoken of as most likely to be the next President of the Maryland Senate. Mr. Williams possesses all the necessary qualifications for first-rate presiding officer. For Speaker of the House of Delegates, both Mr. John H. Handy and Mr. Otis Keilholtz are spoken of. Mr. Keilholtz we do not know personally, but he has had considerable experience in presiding over a deliberative body as President of the First Branch of the Baltimore City Council, and ought to be well qualified. Mr. Handy we know personally as one of the ablest lawyers in State; high toned and honorable in all respects, and possessing superior qualifications for the position. His many friends on the Eastern Shore would be much gratified to see him elected to the Speakership. We presume the old clerks of the House and Senate will be retained.

We ask you to read the advertisement of Darby's Prophylactic Fluid, which appears in our issue of to day. It is a wonderful healing remedy, a most powerful disinfectant, and a positive germ destroyer, and is perfectly safe to use even in the hands of the most inexperienced. It is highly recommeaded by eminent physicians and chemists, and endorsed by hundreds of others who have used it and know its valuable properties. It costs but a trifle, and will save much suffering, time and money. Darby's Fluid has long been recognized as a household article for universal family use. Prepared by J. H. Zeilin & Co., Manufacturing Chemists, SOLE PROPRIETORS.

When Anna Dickinson saw the trousers she is to wear in "Hamlet" she exclaimed: "O, lovely things! Can I ever live up to them?"—*Atlanta Constitution.*

"A lady had the flesh eaten off her arm by scrofula. Could see the sinews working. "Lindsey's Blood Searcher' cured her" I. Ralston, Elderton, Pa.

The white perch that are caught near Berlin Md., average one and a half pounds in wieght. The usual run of salt water perch is about half a pound.

Keep your family well supplied with "Sellers' Cough Syrup." Use it in time; you will avert bronchial and pulmonary affections. 25 cents.

Stevens & Hayward, druggists, Easton, always have a full supply of Pulmona, the greatest known remedy for coughs, throat and lung trouble. It requires only a fair trial to convince one of its efficacy. Free from Morphia or any other anodyne. Price 50 cents.
