HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: *the entire fulfilment of its promises.*

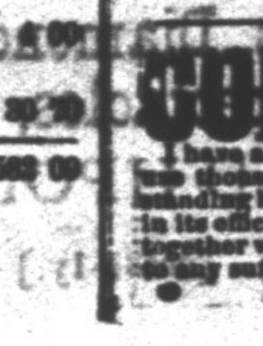

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE FOR THE WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

PREPARED BY R. P. HALL & CO., Nashua, N.H. Sold by all Dealers in Medicines.

FOR ALL THE FORMS OF Scrofulous, Mercurial, and Blood Disorders, the best remedy, because the most searching and thorough blood-purifier, is

Ayer's Sarsaparilla.

Sold by all Druggists; $1, six bottles, $5.

CONSUMPTION.

To the Public, Property Owners and Consumers of House Paints.

During the past ten years every gallon of our paints have been sold under our *Positive Guarantee*—that any building would be repainted at our expense if not satisfactory for a proper term of years thereafter. In view of the *apparently low prices* at which cheaply made *benzine and water paints* are offered, and the difficulty experienced by inexperienced buyers in discriminating between the *best paints and paints of inferior character*, we now add to our previous guarantee the additional guarantee of cost, thus placing the *low price of our paints beyond doubt.*

We authorize any dealer to furnish our paints free of cost to any buyer, who having painted his building with our paints, can demonstrate that our paint has not cost 10 per cent. less for paint used, than cost would have been for either pure white lead and linseed oil or any other mixed paint in this country.
