NOTICE.

The Democratic Central Committee for Talbot county are requested to meet at the Court House, in Easton, at 11 o'clock A. M., on Tuesday next, the 7th inst., to make arrangements for a canvass of the county.

JEROME B. BENNETT, Chairman.

THE State elections in Ohio and West Virginia take place on the 14th inst.—next Tuesday.

How long may the Vanderbilt fortune last? It is reported that the Vanderbilts, father and sons, have lost $50,000,000 in ill timed stock speculations in the last few years. Wonder how many Jay Gould got of the lost millions?

"MY daughter has taken the medicine faithfully, according to directions, and her health and spirits are now perfect. The humor is all gone from her face. I wish every anxious mother might know what a blessing Ayer's Sarsaparilla is in such cases.

WHY has not the St. Michaels *Comet* hoisted the Gibson flag? It is about time. A paper so zealous for his nomination should at least give him a temperate support, now that he is nominated and needs the support of all of his friends.

RUTHERFORD B. HAYES, the man who stole the presidency from Samuel J. Tilden, is still alive. He had sunk so low that most people supposed he was buried out of sight. But he made the reception speech at Norwalk, Ohio, the other day, when Blaine's hippodrome stopped there. Poor Hayes! It's a pity he can't die!

TAMMANY HALL has nominated a full local ticket. The Republicans will have to nominate a ticket to get out their vote. If the county democracy and Irving Hall make no nominations, one-half of the republicans in New York city will vote for Cleveland for democratic support of their local ticket against Tammany. What an opening for a trade. John Kelly is trying the bluff game, but it now may be might now be put in a pocket and Cleveland elected beyond peradventure.

GEN. BUTLER and his People's party say the legislation of the country for the past twenty years has been against the working men and in favor of corporations and capitalists. The Republican party has ruled the country during the last twenty-four years. The workingmen want a change. They want the evils they suffer removed. What is the remedy they propose? Simply this: to throw their votes away on Butler, defeat the Democratic party, and keep the rascals in. This is a very foolish remedy for a most distressing disease. If they really suffer what they claim to suffer, the true remedy is for them to vote for Cleveland and turn their oppressors out. It is not the Democratic but the Republican party that has wrought the vicious system which is oppressing the workingmen of the country. This is so plain that he who runs may read.

JOHN W. GARRETT left an estate worth between fifteen and twenty millions of dollars.

IT is believed by the Democrats that New Jersey is certain for Cleveland by a large majority.

BLAINE's hippodrome is still traveling out west. As he departs from station after station, Mr. Blaine stands on the rear platform of the rear car and says to his gazing admirers—"good bye—*it's the last you will ever see of me!*"

IF Ohio should go democratic at the State election, the bottom will be out of Mr. Blaine's campaign, and the "plumed knight" will make a bee-line for Augusta. The democrats can lose both Ohio and New York, and still elect Cleveland. That's the situation at present.

GEN. GORDON has raised the siege of Khartoum, dispersed the rebels, and recaptured Berber. The English Nile expedition has been halted, if not recalled. Gen. Wolseley will return to London. If Gen. Gordon is made Dictator of the Soudan, and furnished with plenty of money, it would not take him long to organize an army sufficient to take the scalp of El Mahdi and end the Soudan trouble.

AFTER printing barrels of ink during the past ten years, to prove to the country that James G. Blaine is the biggest rascal in public life in the United States, the New York *Sun* is now doing its level best to help elect him President. Now, what will the people think of Mr. Charles A. Dana? Will they not be apt to consider him as big a rascal as he considers Mr. Blaine? It looks to us as if they might, on a fair vote and an honest count.

THE contest now going on in Ohio between the democrats and republicans is said to be a hand to hand fight. The republicans are using more money in Ohio this year than they had for the whole country in 1880. If the State is purchasable they will win; if it is not, the democrats will carry it. If the democrats win in Ohio on the 14th, it will be the greatest political victory ever won, and will determined the presidential election against Blaine.

THE New York *Sun* conveys the idea that there are but two parties in this country, the Democratic party, consisting of Mr. Charles A. Dana, and the opposition, consisting of pretty much everybody else, except the camp followers of Blaine, who endorse and approve of plundering and speculating on official opportunities. The *Sun* complains that in nominating Gov. Cleveland for President, the Chicago convention committed itself to the strange idea, that a candidate should be acceptable, not to his own party (Mr. Dana), but to the oppositon (the democratic masses from the Atlantic to the Pacific and from Canada to the Gulf of Mexico). What a pity the democratic party did not nominate a candidate acceptable to the *Sun's* idea of the democratic party! But the *Sun* will find out in the end that Mr. Dana is powerless to defeat the election of the "opposition's" choice for president.

SINCE the Republicans came into possession of the government in 1861, it is ascertained that over forty millions of dollars have been stolen from the treasury by officials and contractors. The document we publish this morning will give the reader an idea how the star route contractors managed to fraudulently fleece the postoffice department out of hundreds of thousands of dollars, and after spending over $150,000 in prosecuting them, not one of the scoundrels was convicted, nor has one dollar of the stolen money been recovered. The decision of the government was, that the republican courts and juries, officers and attorneys were so rotten and corrupt it was no use, and would be a needless expense, to institute civil suits to recover the money. If this state of affairs does not show a necessity for a change of administration, it would be difficult to imagine any that would. Yet Mr. Blaine and the republican leaders say it is important to the people that this disgraceful system of republican fraud and robbery should be continued. As Mr. Blaine has made his colossal fortune by dabbling in the same line of business as a speculator in such transaction, nothing can be hoped from his election in the way of reform.

THE Union Pacific Railroad now owes the United States Government about $12,000,000 interest which it is trying hard to avoid paying. This money is justly due, and Jay Gould will be forced to pay it, under an enforcement of the Thurman act, which Mr. Blaine opposed when in the United States Senate, should Gov. Cleveland be elected. It is said Jay Gould is raising a large purse to assist in the election of Blaine, in order to secure the assistance of the next President to avoid payment of the money. The case resolves itself into an issue between the people and Jay Gould. Shall he be made to pay this money. If Cleveland is elected, the Union Pacific road will be compelled to plank down the cash. If Blaine is elected it will not be made to pay. The United States advanced over $60,000,000 in bonds, as good as cash, towards the construction of the road, besides an immense land grant; it is a rich corporation, and it ought to be made to pay the interest according to the contract. What say the taxpayers? If Jay Gould does not pay the interest on the Union Pacific bonds, the people must pay it. The only safe way is to elect Cleveland and let the law take its course. If he is elected Jay Gould will pay the money.

Reception at Buffalo of Gov. Cleveland.

Gov. Cleveland visited his home at Buffalo last Thursday, the first time since his nomination for President. His old friends and neighbors without regard to party turned out *en masse* and gave him a royal reception. The republicans of Buffalo presented him with an address, saying that they intended to vote for him, that they preferred to vote for an honest democrat to a dishonest republican. There were over 20,000 in the procession that escorted the Governor from the depot to the hotel. The review of the procession at the hotel was not concluded until after 2 o'clock Friday morning. It rained all the night, but the rain did not dampen the enthusiasm of the people. The Cleveland reception was the largest parade ever seen in the city of Buffalo. The Democratic clubs were in uniform; the city was brilliantly illuminated; there were twenty bands of music; chinese lanterns blazed by the thousand; fireworks lit up the heavens, and the torches and transparencies made the procession a magnificent affair. Gov. Cleveland made a handsome address, which was answered by the democrats making the welkin ring. That's the way the Cleveland boom shines about the home of the democratic candidate.

IT is estimated that 40,000 prohibitionists of Ohio will vote for the St. John Daniel ticket, nine-tenths of whom are republicans.

THE new combination is Blaine, Butler, and Dana. It's a lovely team. Dana has shown up both of his partners as great rascals, and his present course proves him to be quite as unscrupulous as either of them.

IF all the "protected" workingmen in the country, who have been thrown out of employment by the shutting down of factories and mines vote for Cleveland, it will be all up with Blaine and his high tariff.

$40,000,000 stolen. That's the republican record. Blaine is the candidate of the thieves. His election will be an endorsement of their rascalities. Turn the rascals out, and let us once more have honest government.

THE *Gazette* says, "the democracy is very much displeased at the State nominations made by Tammany of New York." As Tammany constitutes a large part of the democracy, it is most singular that it should be displeased at its own nominations! But where under the sun did the *Gazette* find out about Tammany's making "*State*" nominations? Tammany has only nominated a local ticket for the city of New York. The *Gazette* should be better posted. But, perhaps, it relies upon the New York *Tribune*.

CLEVELAND's election is now pretty well assured. It looks that way at all events. It will mark another epoch in the history of the country, when the the Democratic party again takes possession of the executive departments of the government. Important as it is to the democratic party and the country that the democratic candidate for president should be elected, it is not less important that the democrats should carry the next House of Representatives. In that event, whether Governor Cleveland should be elected or not, the people will have a democratic House to stand as a breastwork against the extravagance of a republican Senate, and if Blaine should by mischance be elected, against the corrupt schemes of that aren speculator on official opportunities. But to carry the next House, the Democrats of every democratic congressional district must be up and stirring, and by no possibility allow a republican to slip into a democratic seat. They will not fail to do it if they are not closely watched. Hence the importance of untiring vigilance from now till election on the part of every democrat. It is not expected that the democrats of Maryland should look out for the New York districts, nor that those of New York should look out for the Maryland districts; the democrats of each and every district must look out for their own district, and that alone. We may feel an interest in the other districts, but we must be up and doing and work for the success of our own. A popular candidate can do much to bring success, but his eloquent appeals will be powerless unless the party comes up actively to his support. Every man can do something for the cause, and success is only certain when all are working together in harness. Apathy on the part of the people will elect no man. And if we would not allow the republicans to capture this district, every democrat in it must do his duty. It is but four short weeks from now till the election, yet every county in the district has yet to be canvassed. Mr. Gibson cannot be expected to make more than one speech in each of the counties, the local speakers, workers and organizations must do the balance: and there remains much to be done to bring every democrat to the polls. We may rely upon it, that every negro in the district will be out and vote. We can only defeat them by polling a full democratic vote. In this business Talbot should be behind no county in the district.

How He Got a Position.

"I applied for a position in a banking house in Wall street six months ago, and although I proved my competency, they would not take me. I had been down on my luck and looked old and shabby. An idea struck me. I got up a new growth of hair with Parker's Hair Balsam, raised a decent suit of clothes, applied again, and they took me in a minute. So writes a clerk with $2,000 salary. The moral is plain. Parker's Hair Balsam gives a person a new face.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro."
Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable.

J. T. HAYES."
Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from *Atlanta, Ga.*, says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

Hotel Property for Rent.

The "Frame" Hotel will be for rent for the year 1885. This hotel is located in the centre of the business portion of the town, situated on the corner of Washington street and Railroad avenue. The rapid increase of railroad travel, and the location of the hotel being so very accessible, renders it at once advantageous. The hotel contains 22 square chambers, beside the Office, Dining-room, Billiard-room and Parlors.

If the above property is not rented as a hotel by November 1st, the ground floor will be fitted up and rented for stores. To any one who wishes to engage in the Hotel business, this is a rare opportunity as terms will be made very moderate to a good tenant. Apply to Mrs. G. W. Haddaway at the store under the hotel, or address by letter.

White to the main road leading from Easton to the Trappe; hereby give notice to all persons interested, that they will meet upon the premises at the south end of Aurora street, Easton, on Monday, the twenty-seventh day of October, at 10 o'clock A.
