Woman's Club Hears Dr. Dole

Plans Also Laid For Building Fund

Dr. Esther Dole of Washington College discussed Imperiliasm at a meeting of the Centreville Woman's Club in the Little Theatre last week.

The speaker urged the World Peace movement as the only means of keeping the country out of future world struggles, summarized means of annexations in past history and dwelt briefly upon the present situation in Europe, Africa and Asia.

A step toward a building fund was made when a motion by Mrs. Oliver C. Jones advocated a series of card parties in members' homes for that purpose.

Mrs. Howard Ryland reported on the success of the Flood Relief campaign of the Red Cross. The work of the Welfare committee was taken over by Mrs. E. Hall Covell who told of the accomplishments thus far this year.
