SENIOR TRIAL

Since we are unable to visit an actual court session, the Senior P. O. D. class is having a trial. Mildred Seward, the defendant, has been accused of killing a Mr. Stein, a scientist. The two were co-workers on a radium treatment discovery and very jealous of each other.

Evelyn White, a farmer, is suspected by Julia Eaton who saw a light in her house just before the crime was committed. Both are neighbors of the deceased. Charles Fleckenstein is the attorney for the defense. His witnesses are Mildred Seward, the defendant; Grace Radcliffe, a truck driver, with a criminal record of two convictions; Mary Ellen Hoxter is the proprietress at a pool room (Why Mary Ellen); Alice Clendaniel a day clerk at a hotel where the defendant stayed (?) on the night of the murder; and Julia Eaton and Evelyn White, neighbors of Stein.

The prosecuting attorney is Thomas Ewing. His witn esses are: Peggy Spry, clerk in a hardware store; Maudie Stevens, night clerk in a hotel where the accused spent a night; Mary Legg, the doctor who performed the autopsy; and Dorothy Palmer, Stein's cook. Arthur Southard is the judge and the jury (only six members) is composed of some of the Junior class.

FROM THE SOPHS

Exams can't be far away because reviews have started in most of our subjects. Soon we'll all be leaving to go to the various camps, seashores and mountains for our vacations.

Everyone is glad that the end is near but most of us will be sorry when the time comes. We'll all miss the good times we had at S. H. S. but we'll look forward to coming back next year as Juniors. Many do not realize it but it is here that we spend the happiest part of our lives mixed with a lot of hard work.

FRESHMAN CIVICS

We had a debate in civics class Tuesday. The statement was: Resolved: That the telephone has been of more use to man than the radio. The speakers on the affirmative side were Magdalene Eaton and Alger Tull. Those on the negative side were Alton Pierson and Chairman. The negative side won the debate. It received 19 votes while the affirmative received only 4. We had a test Thursday and now we are starting a new topic called " Choosing an Occupation".

BASEBALL

Last Friday Stevensville lost the fourth interscholastic baseball game to Sudlersville. The score was 19-3.

VOLLEY BALL

The girls played Sudlersville Friday and defeated them 13-3. After the game they played a few practice games with us. We are ready for Field Day and are hoping for the best.

The members of the team are: Josephine Evans, Rebecca Davis, Dorothy Palmer, Alice Clendaniel, Evelyn White, Carrie Della Hoxter and Reba Jones. The subs are Emma K. Bullen and Eva Chance.

THE JUNIOR PROM

Last Wednesday evening the Juniors entertained the Seniors at the annual Junior Prom. The auditorium was decorated with blue and gold (our school colors). Crepe paper streamers hung in graceful curves from the center of the hall to the walls. During one of the last dances these streamers were set free by some joker and the dancers experienced great difficulty in disengaging themselves from the decorations (Rather a Mardi Gras effect).

The pulsating music of the orchestra from Denton (piano, drums, sax, clarinet, trumpet, and violin) teased almost all of the eighty persons present out on the floor.

Booklets, given as souvenirs, contained the names of the Juniors and Seniors, a few pages for autographs and the programs for the dance. Many autographs were collected as memoirs. They attracted some comment with their blue and gold covers.

Of course we can't forget the ice cream and cake. They're essentials of any party.

After saying all that, is it necessary to add that there was not a dull moment all evening?

BOYS' ATHLETIC NEWS
By "Wimpy" Mallalieu

A little practice for Field Day was had at Stevensville Friday for the baseball boys as the final score was 19-2. Benton was on his stride and pitched a no-hit game.

Stevens led for Sudlersville getting 4 hits. Their first pitcher was knocked out of the box and from that time on the Sudlersville hitters had very little trouble.

The news has reached us that Church Hill won from Tri-County and that puts Centreville, Church Hill and Sudlersville in a tie for Queen Anne's County championship.

We think we can win from Church Hill and if Centreville plays on our home diamond they, too, will be defeated.

Ringling Bros. Circus To Show In Wilmington

Pigmy Elephants, "First Ever To Set Foot" Due Friday

With the most impressive and brilliant seven-ring-and-stage program in its history, the Ringling Bros. and Barnum and Bailey Combined Circus, which will exhibit in Wilmington, Friday, May 22, offers this season, as a sensation super-feature, a herd of African pigmy elephants, the first ever to set foot on this continent. These tiny tuskers are not babies, but full-grown, middle-aged midget elephants, the rarest animals on the face of the earth. Accompaning them is a herd of miniature African pongurs, the world's smallest beasts of burden. The pigmy elephants have proven the greatest attraction the Big Show has ever placed before the public, not even excepting its presentations in the past of the disc-lipped Ubangis, the giraffe-necked women from Burma, the sacred white elephant of Siam, Jumbo, Tom Thumb and Goliath, the sea elephant.
