What Every Intelligent VETERAN Should Do With His "Bonus"

This week there were thousands of dollars distributed to the VETERANS of the Great World War who reside in Queen Anne's County . . . The money you received will make you a target for every racketeer and GET-RICH-QUICK schemer . . . SO BE CAREFUL AND WARY of these heartless renegades of society. My sound advice to you is to BANK as much of this money as you can and hold it for a "rainy day".

Don't forget fellas you earned every cent of it! Don't be extravagant! If you must spend it I would advise you to spend some of it to buy needy things for your family, and yourself, and of course the home. After you pay your legitimate debts take the rest of your bonus money and deposit it in your local bank. If you want your family to have some enjoyment from this money then I can honestly recommend one sure and satisfactory way of doing a good job along that line and that is the purchase of a New FORD V-8 OR GUARANTEED USED CAR FROM THE NOBLE MOTOR COMPANY . . . IN EASTON.
