January Clearance at the Remington Store is always an exciting sale. From miles around they come in hundreds to enjoy our special values . . . (honest markdowns). This year REMINGTON STORE has outdone last year's triumph. Selections are larger. Prices are generally lower. We continue to hold friendships of long standing . . . and acquire new friends, by continuing our "WE SELL FOR LESS" policy. A visit to our store will prove the truth of every word in this advertisement. REMEMBER . . . YOUR PURSE IS ALWAYS PROTECTED AT THE REMINGTON STORE.
