Ab Jenkins, World's Safest Driver, Establishes Ic T SPEEDS 87 New Records for Safety, Speed, Mileage as high as 180 miles and Endurance . . . He Drove 3,774 Miles in 24 Hours on the Sharp Granite-like Surface of the Bonneville Salt Beds at Average Speed of

an hour - with the hot, coarse, abrasive salt grinding, tearing, scorching 157.27 Miles an Hour his tires - Ab Jenkins' special racer, weighing nearly three tons. pounded over the Bonneville Salt Beds at such terrific speed that it caused the surface to break up. Before the end Firestone of the run the track was so

pitted and rough that it was almost impossible to hold the car on its course. Yet Jenkins set 87 new World, International and American speed records on Firestone

Building tires capable of establishing such records is made possible only because of patented

Firestone manufacturing processes. These exclusive features enable Firestone to provide car owners with tires that are extra safe. For the greatest protection of yourself

and your family equip your car with Firestone TRIPLE-SAFE Tires. By TRIPLE-SAFE we

PROTECTION AGAINST SKIDDING—The scientific tread design gives longer non-skid mileage and stops your car up to 25% quicker.

PROTECTION AGAINST BLOWOUTS—Firestone Tires run up to 28 degrees cooler because every fiber of every cord in every ply is saturated with liquid rubber by the Firestone patented Gum-Dipping process. This counteracts the internal friction and heat that ordinarily cause blowouts. 2 PROTECTION AGAINST PUNCTURES—Two extra layers

of Gum-Dipped cords under the tread add strength to the tire and give extra protection against punctures. Now is the time to make your car tire-safe for fall and winter

driving. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new FIRESTONE TRIPLE-SAFÉ Tires — the safest tires that money can buy'

YOU CANNOT AFFORD TO DRIVE WITHOUT FIRESTONE TRIPLE-SAFE TIRES Last year highway accidents cost the lives of more than 38,000 men, women and children and a million more were injured!

More than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires!
