LOCAL MATTERS.

WEDNESDAY, June 28, 1871.

THE annual session of the Cambridge male academy of the Primary School No. 2, will end on Friday next, June 30th, and it is the intention of the Principals to have a grand Musical and Literary entertainment at the Court House, beginning at 8 P. M. The musical feature will be a novelty here, as many of the pieces will be rendered by the pupils of the schools, who have been receiving musical instruction for a short time past. Valuable assistance will be received from the musical talent of the town. Some voluntaries by a trained class from Tobaccostick may be expected. The Readings, individual and in concert, will add to the interest of the occasion. A small charge will be made, to assist in payment of expenses already incurred in adding music to the course. *The entire proceeds of the entertainment will be applied to this object.* We hope the Community will go in a body to the entertainment, as no more worthy object could be presented.

The following land sales were made by the Sheriff on on Monday last.

The improved tract of land near Federalsburg, the property of M. L. Smith Esq., containing about 96 acres, for $2500. Tilghman Hubbard Esq., purchaser.

The unimproved farm near Ennalls Springs, containing about 275 acres of land, and also the property of Mr. Smith, for $1012. Caleb Shepherd Esq. purchaser.

The one-half interest of Mr. Smith in the Chas. I Smith farm near East New Market, containing about 600 acres of land for $500. Benj. D. Hackett Esq. purchaser. The latter place was sold subject to a lien for purchase money

The above sales are of good lands situated in part directly on the railroad about six hours ride from Phila, and all in the neighborhood of one, and form a lively commentary on the report of the Census Bureau that lands sell so high in this county that immigrants need not come here.

TROUBLE IN THE REPUBLICAN CAMP.—The Republican State Central Committee met in Baltimore on Wednesday last, and adopted the usual resolutions laudatory of the Administration and J. A. J. Cresswell. Tuesday, Sept. 12th, was designated as the day for holding the convention to nominate candidates for Governor, Comptroller and Attorney General, and it was recommended that primary meetings be held in the different counties on Saturday, Sept. 9th. Kent county was represented by Wm. Perkins, colored.—In the proceedings of the meeting no notice whatever seems to have been taken of the self-constituted Radical convention held in Baltimore a few days previously.

It will be remembered that a number of republicans met in Baltimore about a week or ten days ago and made various nominations for the State officers. With the exception of the Hon. Jacob Tome, all the nominess subsequently declined, and the Central Committee appears to ignore the action of said assembly altogether.

On Monday, a daughter of Stephen Cole (Colored) of this place was bitten by a viper, while in her father's garden. Enough whiskey was administered to produce intoxication, and under the care of Dr. Steele she is doing well. It will be well to remember the antidote.

Mr. Solomon T. Wilson has at length completed the very extensive improvements upon his Hotel property begun some time back, and his house is now in fine order for the reception of his guests. The arrangement of the sitting room and bar is peculiarly felicitous.

THE REV. W. E MUNSEY.—This celebrated pulpit orator will deliver a lecture in Cambridge on Thursday the 13th of July next, at 8 o'clock P. M. Subject, "The Ideal-Art-Music."

The Hon. Charles F. Goldsborough is making extensive repairs on his Law office. He is also improving the office owned by him farther up the street occupied by Mr Jefferson.

"Coughing Hoss" is the Indian [illegible] five.

John Paca of Talbot Co., who, it will be remembered, was implicated with his father Wm. Paca, in the murder of the nephew of the latter some years ago, committed suicide last week, blowing out his brains with a pistol on his father's grave.

Josias Simmons Esq., showed us on Monday a fine large peach from Mr. Dail's farm in the neighborhood of town. Probably the first of the season.

A pleasant excursion party of our Talbot friends visited Cambridge on Monday. Hope they will come oftener and stay longer.

The closing exercises of the Cambridge Female Academy, will take place this, (Wednesday) evening, in the Court-House, and promises to be a very pleasant and delightful affair.

There will be excursions to Hurlock's Station on the 4th. of July, and every arrangement has been made to make the day a pleasant one.

On Saturday last a severe tornado visited Cambridge and neighborhood, uprooting a great number of trees and doing much damage generally.

The Hon. Barnes Compton of Charles Co. is announced as a candidate for Governor.

A Teacher's Institute Meeting of the teachers of Caroline, Dorchester and Talbot counties will be held at Easton from the 10th to the 14th of July, both inclusive. Professor Newell, of the Normal School, and a number of others interested in education will be present.

A Sea Turtle, weighing 105 pounds,' was caught off Cook's Point Talbot County on Friday, by Capt. Edw. J. Stephens and companions, while fishing for drums. It will be served up at Oxford on the 4th of July.

"The dearest spot on earth," it is said, is the store where they don't advertise.
