LOCAL & PERSONAL.

WEDNESDAY,.....April 17, 1872.

☞Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

PEACH trees are in blossom.

MARBLE playing is all the go.

OUR broom factory is under way.

WILD Duck shooting is about over.

FISH are plentiful, 40 cents for shad.

WANTED.—A kitten or a cat at this office.

FARMERS are busily engaged in planting corn.

COUNTRY made butter is now being brought to market.

THE ladies have introduced their parasols.

SEA-WEED hats have become to be quite a style.

SOME of the merchants have spread their awnings.

MANY are complaining of having the spring fever.

GARDENING is being extensively carried on in this vicinity.

OUR pavements need repairing. Attend to it ye town commissioners.

THE oyster market has been quite brisk for a week past.

THE inhabitants of Dorchester are blessed with good health.

THE Railroad granary has been newly painted.

THE Rev. Dr. Houston has sued the Baltimore American for libel.

BUT one case of small-pox has yet occurred in Dorchester.

THE aurora-borealis was again visible on Wednesday night last

BRICK making will be extensively carried on in this neighborhood during the spring.

THE prospect for the coming peach crop is tolerably good, despite the wretched winter.

THE brick store house advertised for sale in another column, and owned by Solemon T. Wilson is being painted.

THANKS to Brother Baker of the COURIER for a friendly compliment to the CHRONICLE in his last issue.

ALL those indebted to the CHRONICLE are particularly requested to settle their bills before or during the April Term of Court.

VIENNA RAIL ROAD.—The certificate of incorporation of this railroad has been filed in the executive chamber at Annapolis.

☞We publish in another column a letter from East New Market which should have appeared in last week's issue.

SALE OF TOWN LOT.—Henry & Sulivane, Attorneys for Col. B. G. Keene, have sold the lot on the corner of Muir and Academy Streets to Wm. M. Fletcher Esq., for $560

POLITICAL.—At the municipal election in Hagerstown, Md., on the 8th inst., the Democracy carried the city by a slightly increased majority over last years vote.

☞Right Rev. Henry C. Lay, Bishop of Easton, has purchased the residence of Robert L Tilghman, Esq., on Aurora street, for $3,000 with a view to make this town his future residence.—*Easton Star.*

IMMENSE ROCK.—On Monday an enormous rock fish taller than a six year old boy and weighing 54 pounds, was brought to town by George C. Twilley. Sold to Dr. A. H. Bayly for $3.

LAND SALE.—Clement Sulivane, trustee for the sale of the real estate of S. S. Lecompte deceased, on Saturday last sold the home farm in the Vienna district to Benj. D. Hackett for $6215, subject to the widow's dower.

THE Hagerstown *Mail* has taken a new head, and the *Free Press* (its rival) suggests that the readers of the *Mail* would be much better pleased if its editor had gotten a new head instead of the paper.

☞Croker, the Caroline Fire King, has come to grief. He hired a hall in Baltimore and among other exhibitions offered to sit down on a red hot stove He did so, but will sit no more, for six months at least, on anything else.

VERY GREAT IMPROVEMENT.—The handsome new fence erected around the Spring Hill. And every individual townman and countryman is strictly enjoined by the authorities against either roosting on or whittling off the same.

DIRTY TRICK.—As three young men were passing Winthrop's store on Cedar St. some nights ago, they were foully bespattered with filth thrown from peach cans in the hands of some parties in disguise A shameful thing which we trust will never be repeated in our usually well behaved town.

FOX CREEK RAILROAD.—Let not the friends of this great local enterprise be discouraged by the failure of the bill to enable the county to assist them.—They can go on with their subscriptions build the road as far as the means hold out, and by the time the money raised in that way is expended another legislature will meet that will make the necessary provision in the premises. Don't hold back and waste two years.

IMPORTANT CHANGE IN THE OYSTER NAVY.—Last week Capt. Wm. E. Timmons of Worcester Co., was elected by the Oyster Police Board, Commander of the Police Force in the place of Capt. Hunter Davidson. Governor Whyte, Treasurer Davis and Comptroller Woolford voted for Timmons and Dr. Hayward, Commissioner of the Land Office, and Mr. Franklyn, Clerk to the Court of Appeals, for Davidson. We greatly regret the change and apprehend that disaster will eventually grow out of it.

THE VIENNA CLIPPER.—We have received the first issue of this new publication and are glad to see this tangible evidence of a "waking up" on part of our sister town, the most ancient, we believe, in Dorset. If the first edition is a specimen of what is to come hereafter, we are certain to have a lively paper among us for the future.

INTERNAL REVENUE.—Every dealer in liquor in Dorchester county, must make application to Assistant Assessor, Capt. John E. Graham, during court week, if not sooner, for Government license to sell liquor; the license is $25 annually. Dealers in tobacco, cigars and snuff, must make application at the same time, or sooner, for license is $5 anually. Persons whose gross incomes exceeds $2000 annually, are required to make a statement of their incomes at least by the 28th of this month. Persons neglecting the above notice will be subject to a heavy fine.—*News.*

BARNUM'S MENAGERIE.—This famous show will not come off in Dorchester, we have received a letter from Mr. Barnum enclosing a programme of his movements and requesting us to announce that he will exhibit in Wilmington on the 30th of April and in Baltimore on the 1st 2nd 3d 4th and 5th days of may. He will each morning parade the immense caravan in the streets of Baltimore and those who desire to see the most extraordinary circus, menagerie and hippodrome of this or any other age will have to visit Baltimore in the first week of May.

"WHAT I KNOW ABOUT FARMING." We have recently received from the publisher a copy of this famous book written by Horace Greely, and commend it to the attention of our readers. It is, like every thing else that comes from the brain of this renowned writer, well worthy a careful reading by all tillers of the soil. Those wishing a copy of this or any other book can obtain it by addressing G. W. Carleton, Madison Square, New York.

☞We read with awe and pleasure the description, by a Washington correspondent, of the ways in which our rulers preserve their "precious healths." They are peculiar. President Grant smokes and goes to the seaside and sees the guildless Murphy. Mr. Colfax keeps cheerful. Mr. Sumner shuts himself up and takes no exercise. Senator Schurz drinks beer, smokes incessantly, and works until 2 o'clock in the morning. Mr. Boutwell plays billiards.

YOUNG AMERICA comes to us as fresh as the Spring-time. It is the most sparkling and original of the juvenile publications—just what every child needs. $1.00 per year subscription price, $1.50 with a valuable premium.

DEMOREST'S MONTHLY for April is bright, and full of good things as usual. Its fashions are particularly full and interesting to ladies, and its literary matter varied, thoughtful, and suggestive as well as entertaining. It is preeminently practical, and therefore most useful as a family magazine.

A gang of burglars entered a South Bend, Indiana, hotel, the other night, and left but one suit of clothes for thirty guests. They had breakfast from 7 to 10 next morning, and the toilets were not conspicuous for fit. One man took his coffee and cakes with a bedquilt over his shoulders, and another in a balmoral belonging to one of the chambermaids.

Special Notice.

All persons indebted on account of town taxes are hereby requested to come forward and settle up. Otherwise, at the expiration of the notices that have been served, each and all will be advertised and I shall proceed to collect according to law.

WM. A. COOK, Bailiff.

ORDER OF PUBLICATION.

Thomas W. Anderson, vs William G. Lecompte, admr. of James A. Byus, deceased, Augustus A. Pattison & Laura Pattison, his wife, Joseph E. Byus, Rose Byus, James T. Byus, Kennerly T. Byus and Wilhelmina Byus.

In Equity in the Circuit Court for Dorchester county.
No. 762 Chancery.
March 27, 1872.

THE object of this suit is to procure a decree for a sale of certain real estate situated in the 7th. Election District of Dorchester County on the County road leading from Cambridge to Cornersville, adjoining the home farms of John R. Creighton and William G. LeCompte, and of which James A. Byus, died seized.

The bill states that in the month of January, A. D. 1872, the said James A. Byus departed this life siezed and possessed of a large real and personal estate, and indebted unto the Complainant and divers other persons in considerable sums of money. That he died intestate, leaving Laura, wife of Augustus A. Pattion, Joseph E. Byus, Rose Byus, James T. Byus, Kennerly T. Byus and Wilhelmina Byus his only children and heirs at law. That letters of administration were granted unto William G. LeCompte of said county by the Orphans Court of the county of Dorchester aforesaid, who by virtue thereof possessed himself of the said personal estate, but that the same is insufficient to discharge all the debts due and owing by the said decedent, and the deficiency ought to be supplied by a sale of the said real estate; that the said Rose, James T., Kennerly T. and Wilhelmina Byus are infants, under the age of 21 years and that the said Joseph E. Byus is a non-resident of Maryland.

It is thereupon adjudged and ordered that the Complainant by causing a copy of this order to be inserted in some newspaper published at Cambridge in said county once in each of four successive weeks before the 27th day of May, A. D. 1872, give notice to the said Joseph E. Byus of the object and substance of this bill; and warn him to appear in this Court in person, or by solicitor on or before the 11th day of November A. D. 1872 to answer the premises and show cause, if any he has, why a decree ought not to pass as prayed.

JUST published, a new edition of Dr. Culverwell's Celebrated Essay on the *radical cure* of certain weaknesses, the effects of Errors and Abuses in early life.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of such errors and abuses may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, & effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically.*

The location is more accessible to all parts of New York and Brooklyn than any other house in the city. The Broadway Stages pass the hotel every three minutes, besides various lines of Street Cars, one of which intersects every other route in New York.

It being but two blocks from Fulton Ferry, makes it convenient for those wishing to visit the "City of Churches," as from this ferry diverge all the principal Railroad routes in the city of Brooklyn.
