## LOCAL & PERSONAL.

WEDNESDAY,.....May 8, 1872.

☞Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

Read the advertisements in to-days' CHRONICLE.

THE Maryland Hotel was thronged with guests last week.

RETURNED.—Mr. J. B. Lake has returned from Mississippi looking hearty and well.

COUNTY BONDS.—A large sale of County bonds was made by Henry & Sulivane last week at 83 cents.

☞Discouraging accounts of the wheat crop continue to arrive from almost all parts of the county.

THE Grist Mill of J. W. Crowell and Co., is in full operation. Bring in your corn, O ye farmers.

☞Capt. Smith has 7 acres in Strawberries. There are 25 acres within the limits of Federalsburg, in the same fruit.

HURLOCK'S CAMP.—It has been determined to hold a camp meeting at Hurlock's, Dorchester county, this season, and it will begin on the 2nd of August.

☞A farmer near here set out 4,400 Strawberry plants last Spring, occupying about ½ an acre; this Spring he has 200,000 plants to sell, worth $2 per thousand; and his prospects are good for a full crop of fruit.—*Courier.*

☞For want of space we are again compelled to postpone the complete and lucid statement of the questions to be agitated in the Presidential campaign from the pen of the famous *Tribune* editor.

TOWN IMPROVEMENTS.—Mr. Wm. M. Fletcher has divided the lot on the corner of Muir & Academy Streets recently purchased by him of Col. B. C Keene into building lots and two have already been sold to parties who will shortly erect dwellings thereon.

☞There is likely to be a lively fight over the proposed opening of a public road from Ferry Landing on the Choptank river to Blink Horn School House, and as a soldier remarked at second Mannassas "Taint the first time nuther."

OYSTER POLICE FORCE.—Capt. Timmons has appointed Wm. J. Langrell formerly of Dorchester but now of Wicomico and one of the delegates from the latter county to the Legislature last Winter, Captain of one of the boats vice Capt Leonard removed.

NEW FIRM.—We invite the special attention of the public to the card of Messrs. Dawson & Goldsborough in another column. Mr Goldsborough is one of the most trusted and enterprising of all the young men of Dorset who have removed to Baltimore and will doubtless receive a large share of the patronage of the county.

DEATH OF DR. TARR.—We learn with deep regret the death of Dr. Charles E. Tarr, of the Denton Journal, which took place at his residence in Denton on the 2nd inst. He was one of the most high toned gentlemen and honest politicians in Caroline County, and his death will leave a void that cannot easily be supplied.

LIVELY.—A meeting of the "enterprizing citizens" of Vienna takes place to night to organize a "Building and Progressive Association" and attend to any other matters that may turn up. Vienna will "strike 'ile" after a while if she keeps on, for there was never a truer saying than that "there is always plenty to do for those who wish to do it." The only question is where to begin.

ACCIDENT—As one of our Cambridge beauties was turning the corner of Poplar and Gay Streets one day last week, two rude and quarrelsome dogs that were engaged in a fracas rushed violently against her and threw her to the pavement. Her arm was sprained and the fair invalid has since attracted much interest by her appearance on the streets with the wounded limb in a sling.

LAND SALE.—John H Bramble has sold his farm of about 300 acres near East New Market to a Mr. Simpson of Ohio for $23000. We learn that Mr. Simpson proposes to put up in connection with Mr. Hollingsworth of Baltimore who is an experienced machinist, a large general canning establishment in Cambridge which will probably employ 200 hands. As the natural advantages of Cambridge for enterprises of this sort become better known, we expect to see a large influx of capital in this direction.

☞We are pleased to Chronicle (no fun intended) a delightful treat in share for the lovers of the good and the beautiful. Cambridge has had during the past season, "a feast of fat things," and the good taste of our friend, the Principal of the Cambridge Female Seminary will press another cup of enjoyment to our lips. On the 24th inst., the beautiful floral spectacle, the Coronation of the Queen of May, will be presented on the delightful grounds adjoining the Institution, and we can promise all the patrons and friends of the School who avail themselves of the Principal's kind invitation, a charming day.

Most Reverends Arch-Bishop and Bishop have been selected to give Crown and Sceptre to the lovely Queen, and Queen Mother and Lady Hope will be there with Maids of Honor, Floras and Pages appropriately attired, all taking part in the august ceremony. We predict for it a perfect success, and a brilliant assembly to pronounce the verdict.

REWARD OFFERED.—Governor Ponder, of Delaware, offers a reward of $500 for the apprehension of Dennis, the colored man who recently outraged a white woman near Wilmington, in that State.

### IN MEMORIAM.

ODD FELLOWS' HALL,
Cambridge May 2d. 1872.

At a special meeting of Dorchester Lodge, No. 19, I. O. O. F., held on Thursday moring, May 2d, the following preamble and resolutions were adopted unanimously, as expressive of the fraternal sentiments of the Lodge, and as a tribute to the memory of a worthy, and most exemplary, deceased brother.

WHEREAS, it hath pleased Almighty God in his wise, but to us *inscrutable providence*, to call from the toils and duties of this life, and from the christian works of our beloved Order, our cherished brother, Past Grand Josias S Simmons,—whereby,sorrow's mournful arch has been reared,and under it our heads been caused to bend low, in paying tribute to his dear memory; therefore, be it

*Resolved*, 1st, That while we humbly submit to the decree of the "Disposer of all events," as a common brotherhood, we cannot but deplore the sad event which has summoned our brother hence; that has deprived society of a citizen so true to all its obligations, and Odd-Fellowship of a member, so observant of its principles—one whose daily life was a truthful exemplification of its sacred and time-honored tenets.

*Resolved*, 2nd, That we tender as individuals, and as a Lodge, to the widow and orphans of our beloved brother, our sincere condolence, and fraternal sympathy in their bereavement, and assure them that the "Mystic Tie," which bound us in "Love, Truth and Fidelity" to the loved and lost one, will ever stimulate our hearts to protect, aid, and defend their interests.

*Resolved*, 3rd, That in respect to the memory of our deceased brother, and with the consent of his family, we will attend his funeral as a Lodge, and will ever endeavor to emulate his noble example of devotion to the cardinal virtues of our fraternity.

*Resolved*, 4th, That our Hall be draped in appropriate mourning, and the members wear the usual badge of the same for thirty days; that copies of these resolutions be sent by the Secretary of this Lodge, to the family of our deceased brother, and also to the county papers for publication.

Yours in F. L. & T.

Committee: { WM. F PATTISON, P. G. / T. N. WILLIAMS, P. G. / JERRY IRWIN.

SCHOOL LIBRARIES.—The good people of Tobaccostick having raised $12.-50 towards the purchase of a School Library, an equal amount was given by the County School Board, in accordance with the provision of the School Law, and an admirable Library of forty volumes has been purchased.

The books were well selected and will no doubt prove of real value in increasing the interest of pupils in the work of their education.

The books are distributed to the pupils once a week, *as a reward for regular attendance.* What school in the county will be next?

THE DEMOCRATIC NATIONAL CONVENTION.—The National Executive Committee of the Democratic party will meet in New York City this week to determine upon the time and place of calling the National Democracy together in council. It will probably be about the middle of June and at Baltimore, Louisville or St. Louis. By that time we shall have a better opportunity of judging of the situation than at present.

☞The Legislature at its late session, passed a law making uniform the pay of County Commissioners throughout the State, excepting those of Baltimore county. It provides that the pay of all County Commissioners shall be three dollars per day and ten cents per mile mileage for every mile over five miles—except the Commissioners of Baltimore county, who shall receive a salary of $1,000 per year, including mileage, payable monthly.

PENINSULAR PRESS ASSOCIATION.—While it does not occur to us what particular advantage is to be derived from such an organization, still nothing would afford us more pleasure than to meet all our brother editors of the Peninsula in convention, exchange views and smoke the calumet of peace. We therefore proffer ourself ready to attend at any time and place that may be found most convenient for the purpose indicated.

LAY REPRESENTATION.—The much vexed question of lay representation in the Methodist Episcopal Church has at length been settled forever. By a great majority a resolution to admit lay delegation in the General Conference of the church was decided in the affirmative on Wednesday last, in the General Conference now in session in Brooklyn.

☞We congratulate every poor man whose comfort has been abridged by the duty upon tea and coffee that it has at last been repealed. We look to a speedy reduction of retail prices, as the law goes into effect on the 1st of July.

POLITICAL NOTES.—Of the 357 electoral votes to be cast in the coming Presidential election, New-England and the Middle States will have 109; the Western States, 102; the Pacific States, 12; and the Southern States, 134.

THE preliminary examination of the charges against Rev. Dr. Huston, the Baltimore clergyman, has resulted in his formal indictment.

### The Claims to be Withdrawn,

The *World* correspondent is authorized to say that the Government considers the claim for indirect damages withdrawn. Messrs. Gladstone and Granville will compliment President Grant in Parliament for yielding to their demands.

A HARTFORD burglar was lately frightened out of his scheme of robbery by the sweet simplicity of a solitary spinster, who, putting her night-capped head out of the window, exclaimed: "Go away, ain't you ashamed?"

A MINISTER ON TRIAL FOR BASTARDY.—Rev. N W. Bennum, of Lincoln circuit, Sussex county, Del., had a hearing at Georgetown last week before a committee of five ministers appointed by Rev. Dr. Thompson, of Smyrna, presiding elder of the district, upon charge of bastardy, and was convicted. The report of the committee next goes to the conference, where, if it be sustained, the offending minister will be expelled. The case is aggravated by the circumstance that the victim, an orphan girl about 16 years old, was placed with Mr. Bennum by her uncle under the promise that he would take her as his ward.—*Smyrna (Del.) Times.*

OLIVE LOGAN commenced one of her lectures at Newark, recently, with the remark, "Whenever I see a pretty girl, I want to clasp her in my arms." "So do we," shouted the boys in the gallery. For a moment Olive was nonplussed, but, recovering her self-possession, she replied, "Well, boys, I don't blame you."

### BUSINESS LOCALS.

Messrs. Wm. C. Littleton & Son have returned with an unusually handsome supply of Spring goods even for them and more especially their easimers for boys use exceed anything ever brought to the town both for variety and cheapness. Call and see.

Who wants a suit of good clothing, made up in the latest style, with expedition, and at as cheap rates as can be found in Dorchester County? Who wants any repairing, scouring &c, done cheaply and at once? He has only to call on SAM. R. PENNINGTON at his place of business on Poplar St., and his wishes will receive immediate attention.

If you want a suit of well made clothing, or wish any repairing or scouring done in the clothing line, call on I. N. Elston, High St. Cambridge.
