penter, the blackſmith, the ſail-maker, the rope maker, &c. will of courſe be deprived of employment; their labor will be neither wanted nor paid for.

To conclude. Our ſhips being thus baniſhed from our ſhores we ſhall no longer furniſh a nurſery for our ſeamen, but that valuable claſs of citizens will be driven to ſeek for their bread in other countries, and in any future European wars which may happen, and which are conſtantly liable to happen, we ſhall find ourſelves without ſeamen or ſhips to avail ourſelves of that neutral poſition which reflection and experience equally warrant us in calculating upon as one of the bleſſings allied to our remote and ſecure ſituation.

On the whole your memorialiſts cannot refrain from expreſſing the belief with which they are ſtrongly impreſſed, that to repeal the diſcriminating laws which have operated ſo happily to increaſe our navigation and commerce, would be a meaſure highly prejudicial to various and important intereſts in the community, detrimental to the revenues of the country, and in a national point of view extremely impolitic. They therefore pray that the repeal may not take place.

NEW BANK.

The project of another bank is on foot, to conſiſt of a capital of *Four Millions* of dollars, in ſhares of fifty dollars each. Subſcriptions are filling, we underſtand, with great avidity; and a petition for an act of incorporation will be preſented to the legiſlature, now in ſeſſion.

We underſtand it is in contemplation by ſome of our commercial citizens to build a new coffee-houſe at the upper part of the city, and that the ſum of 50,000 dollars is already ſubſcribed. The ſpot in view, though not determined on, is ſaid to be at the point of Cherry-ſtreet, fronting the pump. The advantages reſulting therefrom are ſo obvious that we entertain no doubt of its authenticity.

PHILADELPHIA, February 5.

The Aurora ſays, the houſe of repreſentatives of the United States ſat with *cloſed doors* on Monday laſt; and conjectures that the buſineſs in which they were thus engaged related to Mr. Rutledge. The attacks on this gentleman have hitherto been conducted with the deepeſt ſecrecy, and it is perhaps moſt conſiſtent, if he is to be ſacrificed, that the deed ſhould be committed *in the dark.*

Extract of a letter from a gentleman at New-York, who left the Miſſiſippi, the 3d of January, in the ſhip Mexicana, to a perſon in this city.

"The governor of New-Orleans, previous to my ſailing, had received orders from the captain-general of Cuba, to deliver up the colony to the French immediately on their arrival, in the ſame ſtate that the Spaniards had originally taken poſſeſſion of it."

The ſhip Alexander, M'Intoſh, arrived at Wilmington, North-Carolina, on the 19th ult. in 36 days from Briſtol. The only article by this ſhip, we find in a Wilmington paper of the 20th. It is this—"All appearances of a renewal of hoſtilities in Europe, captain M'Intoſh ſays, have ſubſided." This ſhip might have brought London advices as late as the 8th of December.

CHARLESTON, January 22.

Captain Ball, who arrived on Sunday laſt, in the Æriel, from Savannah, ſpoke on the 18th inſtant, a large ſhip with white bottom and figure head, her name and the captain's not known, from this port, who had taken up that day two white men and two negroes, in a ſmall boat which had been blown off by a ſevere gale. Captain B. was requeſted to take them on board his veſſel, and made ſeveral attempts to do ſo, but the approach of night and a very heavy ſea prevented him. The gale blowing heavy, captain B. could learn no other particulars.

WASHINGTON, February 4.

REPORT

Of the committee to whom was referred on the 17th ultimo, the memorial of ſundry inhabitants of the town of Wilmington, in the ſtate of North-Carolina.

REPORT.

That the ſyſtem of policy ſtated in the ſaid memorial to exiſt, and to be now purſued, in the French colonial governments, in the Weſt-Indies, is fraught with danger to the peace and ſafety of the United States—That the fact ſtated to have occurred in the proſecution of that ſyſtem of policy, demands the prompt interference of the government of the United States, as well legiſlative as executive.

The committee therefore recommend that the ſaid memorial be referred to the ſecretary of ſtate, to be laid before the preſident—and in purſuance of the authority granted to them, herewith report a bill which is ſubmitted.

THE FOLLOWING

Is the memorial of the underſigned inhabitants of the town of Wilmington, in the ſtate of North-Carolina, and of the vicinity thereof, Reſpectfully Sheweth,

That it doth appear to have become the policy of the governments eſtabliſhed by the French over ſeveral of their iſlands in the Weſt-Indies, to expel therefrom all negroes and mulattoes, to whom emancipation ſhall be accorded. That in the proſecution of this ſyſtem, the executive authorities in ſaid iſlands, (of Guadaloupe particularly) have ſhewn a determination, by force or by fraud, to have thoſe people introduced into the United States. That in fact the danger to be apprehended from affording an aſylum to ſuch perſons, has operated ſo powerfully on the European powers holding iſlands in the Weſt-Indies, or eſtabliſhments on this continent, as to produce an abſolute and effectual prohibition from landing them on any part of their reſpective territories. That, therefore, the United States having become the dernier reſort for enabling the French colonial governments to clear the iſlands of a ſpecies of population too obnoxious to be tolerated; there is reaſon to dread, (unleſs the moſt prompt and deciſive meaſures are adopted to counteract and repel the deſigns of thoſe governments.) that the peace and ſafety of the ſouthern ſtates of the union will be greatly endangered.

Your memorialiſts think it neceſſary to ſtate to your honorable body in proof, that their apprehenſions on this head are well founded; that the ſchooner Fair Play, recently arrived in this port from Guadaloupe, having on board five perſons of the above deſcription, which the executive of that iſland compelled the captain of ſaid ſchooner to bring away.

With the fulleſt confidence that your honorable body will condeſcend to give to the above repreſentation the conſideration which its importance demands, and that they may expect from your wiſdom ſuch meaſures as may be effectual in the premiſes—Your memorialiſts will ever pray, &c.

PITTSBURG, January 28.

The paragraph in the laſt Gazette taken from an Alexandria paper, reſpecting German emigrants going to ſettle on the Scioto, is not correct. The emigrants therein alluded to, are now in this town, and have informed us, that they gave general Koſkiuſko only one dollar per acre for the land they purchaſed of him; that this party conſiſts of but one family, and that they have no knowledge of any other Germans intending to ſettle on the Scioto.

FEDERAL GAZETTE.

MONDAY, *FEBRUARY 7.*

The puff direct is given to Gideon Granger, perhaps by himſelf or Tom Paine, in the National Intelligencer of Friday, and copied into this morning's American—complimenting him too groſsly to be palatable to any other than Gideon, upon his *new* and incomparable arrangements for the tranſmiſſion of the mails. The editors of the latter paper have, however, very candidly placed under the Baltimore head the following commentary upon "*the energy and fidelity of the official labors*" of Mr. Gideon:

"The mail had not arrived laſt night at a late hour, to which may be attributed the barren appearance of this day's American. Two days papers from New-York are in arrears."

They might have added, that, conſidering the goodneſs of the roads for the laſt 3 weeks, the mails have not been received more irregularly theſe five years.

Report ſays and we believe on good grounds, that the governor has ordered a draught from the militia of this ſtate of 1800 infantry and 200 horſe, for the ſettlement of the land buſineſs at Wyoming, Luzerne, &c. [*Phil. paper.*]

On Wedneſday, in the houſe of repreſentatives, general S. Smith obſerved that it had been his intention the preceding day to ſtate that he ſhould not call for the order of the day on *diſcriminating duties* until Monday next. As, owing to miſtake, an impreſſion had been made that he did not mean to make the call till Monday week, he took that opportunity to ſtate his intention to move that the houſe ſhould take up the ſubject on Monday next.

[*National Intel.*]

In the Virginia Houſe of Delegates, Monday, January 24.

The bill with its amendments, which was reported from the committee of the whole houſe ſome days ago, and ordered to lie on the table, for "ſubjecting lands to ſale under execution in certain caſes," was taken up, the amendments agreed to, and the bill further amended at the clerk's table.

A motion was then made that the houſe come to the following reſolution:

Reſolved, That the further conſideration of the bill "to ſubject lands to ſale under execution in certain caſes," be poſtponed until the fourth Wedneſday in April next; that 1000 copies of the ſaid bill as amended, be printed for the conſideration of the good people of this commonwealth; and that it be recommended to the people to inſtruct their repreſentatives in the next general aſſembly concerning the ſubject matter of the ſaid bill.

And the queſtion being put upon the ſaid reſolution, it paſſed in the affirmative. Ayes 101; noes 51.

The bank bill was rejected in the ſenate yeſterday. Ayes 10; noes 12.

VALUABLE MEDICINES.

The Public are reſpectfully informed that LEE and CO. and the agents of their appointment, will in future keep a conſtant ſupply of the following Medicines, which are in high eſteem and general uſe throughout the United States, many of them being ſold cheaper than the drugs of which they are compounded, could be purchaſed at a retail ſtore.

TAKE NOTICE, that Meſſrs. *WARNER* and *HANNA*, bookſellers, corner of Market and ſouth Gay-ſtreet, are appointed the *only agents* for this city; and that the genuine medicines can be had no where elſe in Baltimore.

HAMILTON'S ELIXIR,

A ſovereign remedy for colds, obſtinate coughs, aſthmas, ſore throats, and approaching conſumptions.

To parents who may have children afflicted with the HOOPING COUGH,

This diſcovery is of the firſt magnitude, as it affords immediate relief, checks the progreſs, and in a ſhort time entirely removes the moſt cruel diſorders to which children are liable—the Elixir is ſo perfectly agreeable, and the doſe ſo ſmall that no difficulty ariſes in taking it.

Mr. Charles Myers, Hampſtead Hill, near Baltimore, had been a long time dangerouſly indiſpoſed, and was reduced to the loweſt ſtate of weakneſs, inſomuch that his recovery appeared doubtful. His complaints, which ſeemed to be affections of the breaſt and lungs, and general debility occaſioned thereby, yielded little, but rather progreſſed under the treatment of ſeveral eminent phyſicians; when by the uſe of Hamilton's Elixir, his diſtreſſing cough was immediately alleviated, and every other ſymptom rapidly ſubdued. Four or five bottles entirely removed his complaints, and reſtored him to an excellent ſtate of health and ſtrength, which he has for upwards of two years paſt enjoyed without interruption.

From LUTHER MARTIN, Eſquire, Attorney-General of the State of Maryland.

GENTLEMEN,

I comply with your requeſt in ſtating my opinion of Hamilton's Elixir—It has been uſed in my family for two or three years paſt with uniform ſucceſs, whenever colds, coughs, or ſimilar complaints have renderrd medicine neceſſary—I have myſelf found it an excellent and agreeable remedy for a very painful and troubleſome affection of the breaſt, accompanied with ſoreneſs and with obſtructed and difficult breathing.

On theſe accounts I do not heſitate to recommend Hamilton's Elixir, as a valuable medicine, and deſerving public attention.

LUTHER MARTIN.

Mr. Abijah Henly, Bridge-ſtreet, Baltimore, was cured by one bottle of Hamilton's Elixir, of a very complicated diſorder, occaſioned by a ſevere cold caught ſeveral months ago—He breathed with the greateſt difficulty, and was often thrown into weakening ſweats when he attempted to walk any diſtance, and his voice would frequently fail in ſuch a degree that he could only attempt to whiſper; he has been upwards of ſix weeks without a return of his complaints, and deſires to give his public teſtimony in favor of this invaluable medicine.

Mr. Elizabeth Jones, ſouth Howard-ſtreet, was greatly relieved of an aſthmatic complaint of ſeveral years ſtanding, by the firſt bottle of Hamilton's Elixir—and by the uſe of five bottles ſhe has acquired a degree of eaſe and ſtrength to which ſhe had been long a ſtranger. She had taken balſam of honey, Church's cough drops, and other medicines without any benefit, and ſometimes to the evident injury of her breathing.

INFALLIBLE AGUE and FEVER DROPS,

For the cure of agues, remittent and intermittent fevers. Thouſands can teſtify of their being cured by theſe drops, after the bark and every other medicine has proved ineffectual; and not one in a hundred has had occaſion to take more than one, and numbers not half a bottle.

THE GENUINE PERSIAN LOTION,

So celebrated among the faſhionable throughout Europe, is an invaluable coſmetic, perfectly innocent and ſafe, free from corroſive and repellent minerals (the baſis of other lotion) and of unparalleled efficacy in preventing and removing bleniſhes in the face and ſkin of every kind, particularly freckles, pimples, ſcurfs, tetters, ringworms, ſun-burns, &c. rendering the ſkin delicately ſoft and clear, improving the complexion, and reſtoring the bloom of youth.

CURES.

Card from Miſs L— R—, daughter of colonel R—

Miſs R requeſts Meſſrs. Lee and Co. to ſend her two bottles of the Perſian Lotion by this packet—the bottle ſhe before purchaſed has been very uſeful in removing an unpleaſant eruption and inflammation of the face—ſhe will recommend it as it merits.

Mr. P. B. in the neighborhood of Annapolis, was cured by one bottle of the Perſian Lotion, of a very alarming tattering eruption of ſeveral months continuance: Gowland's lotion, as well as ſome American preparation had firſt been tried without any good effects.

A young ſon of Mr. Ebenezer Hindman, Bond-ſtreet, Fell's-Point, was cured by the Perſian Lotion of a dangerous and inveterate ring-worm, which ſpread rapidly on his left arm and hand—this excellent preparation immediately ſtopped its progreſs, and in a ſhort time no remains of it were ſeen: two or three gentle laxatives were adviſed during its uſe.

RESTORATIVE POWDER for the TEETH and GUMS.

This excellent preparation comforts & ſtrengthens the gums, preſerves the enamel from decay, and cleanſes and whitens the teeth, abſorbing all thoſe acrimonious ſlime and foulneſs, which ſuffered to accumulate, never fails to injure, and finally ruins them.

THE DAMASK LIP SALVE,

Is recommended (particularly to the ladies) as an elegant and pleaſant preparation for chopped and ſore lips, and every blemiſh and inconvenience occaſioned by colds, fevers, &c. ſpeedily reſtoring a beautiful roſy color and delicate ſoftneſs to the lips.

Gowland's Lotion, Anderſon's Pills, Hooper's Pills, Godfrey's Cordial, Haarlem Oil, Eſſence of Peppermint, Steer's Oppodeldoch, Church's Cough, &c. Drops,
