To be Sold by private Sale,

THE very valuable Estate, adjoining to Queen-Anne, in Prince George's county, called Padsworth, consisting of about 800 acres of Land. It has on it a large and handsome brick Mansion, faithfully and substantially built, with every requisite out office; a good garden; an extensive orchard well stocked with trees of the most choice fruit; a mill seat on a never failing stream, with a dam so nearly formed by the hand of nature, that a very little labor would be sufficient to complete it—there is also on the estate a very good fishery.

This land is situated in the finest tobacco growing country in Maryland, and is certainly at least equal to any even in that much favored district, for richness of soil, producing the largest crops of the finest tobacco, and the greatest quantity of Indian corn, and other grains. The water on it is pure, and the air uncommonly salubrious; there is not perhaps a more healthy spot in America.

Padsworth is adjoining to Queen Anne, a place well known for having tobacco of the finest quality in the state inspected at it; is distant thirteen miles from the city of Annapolis, twenty-three or four from Baltimore, and seventeen from the city of Washington.

The purchaser may, if he should wish it, be accommodated with the hands, live stock, farming utensils, grain, &c belonging to the plantation.

Every information respecting price, conditions of sale, extent of credit, (which will be liberal) may be had by application to doctor CLEMENT SMITH, of Poplar Ridge, near Queen Anne, Prince George county.
