Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary outhouse—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

ENGELHARD YEISER.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat county perhaps in the state, where no competion can be dreaded and is on tide water.

The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.

The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth; in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Janney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.

Terms of sale will be one fourth in cash, or an approved negociable note at sixty days; the balance in three equal payments, at six, nine and twelve months, bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.
