Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331¼ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 83 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary outhouse—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

Fifty Dollars Reward.

RAN away from the subscriber, living on Fell's-Point, on Monday, 29th July last, a negro man slave, named JACOB, about thirty years of age, about 5 feet 7 inches high, and is a chunckey, broad round-shouldered negro, short neck, big mouth, flat nose, hollow eyed, very short black curled hair; and when spoken to will not make a direct answer, particularly when in liquor, but will smile or get confused; he may forge a pass, as he could read and write; he was purchased from Miss Priggs, in Prince George's county, and likely may go that course, as he was heard to say that he had a wife at a certain Mr. Young's, in said county. At the time of his running away, he wore a new round blue nankeen jacket, a new striped casimere under jacket, Russia shirt and trousers, and a felt hat, and probably may exchange them for other wearables. I will pay Five Dollars, if taken in Baltimore city; if taken in Baltimore county, Ten Dollars; Twenty Dollars, if taken out of the county of Baltimore, and Fifty Dollars if taken out of the state of Maryland, or secured in any gaol, so that I may get him again.

For Sale,

A TRACT of LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence purchased of Mr. William Buchanan.

Also,

A TRACT of LAND containing about three hundred acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling house, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and a good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills: there is a mill not more than a quarter of a mile from the last mentioned place; a good neighborhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.

Doctor Dastuge,

(Lately arrived in this place)

East-street, No. 3, near the public Library,

OFFERS his services to those ladies and gentlemen who may have occasion to employ him: Having passed the best part of his time, since his study, at the principal schools in Montpelier and Paris, particularly in the *Charity and Hotel Dieu Hospitals*, he flatters himself he has acquired sufficient knowledge of physic and surgery to recommend him to the confidence of the inhabitants of this city.

The Doctor has a PREVENTIVE, that any person having suspicion of being infected, by application in the space of three days after connexion, he will engage to cure radically in a few days. Gentlemen, particularly, who by imprudence, may be under some disagreeable apprehension, should not hesitate a moment in making an early application, by which they will secure their health and peace of mind.

Swellings and inflammations from fresh infections, either venereal, gout, rheumatism, or scorbutic, reduced in a short time, without cutting or pain.

The Doctor cures particularly the *rheumatism* and a *certain disorder*, without *mercury*, and in so short a time as will astonish the patient.

Numerous are the unhappy people, as well in the country as in this great city, who unfortunately labor under the above destructive disorders for months and years, suffer their constitutions to be entirely ruined, rather than to apply for proper assistance, and give themselves up for lost.

Let none of either sex despair, in the worst cases, and of ever so long standing; if curable, the doctor will engage to perform a complete cure in the space of six weeks or two months—the patient conforming to the doctor's directions.

Gleets and seminal weaknesses effectually cured.

The doctor likewise makes artificial teeth, and trusses or bandages for all kinds of ruptures, and *pieces* proper to repair defects of the human body, some of which decency will not permit him to explain. The secret on his part was always sacred, as those who have had occasion have experienced.

He has had also great success in performing an operation on the teeth, which takes off the tartar, cleanses and makes them white in an easy manner, no ways painful, and without doing the least injury to the enamel; which operation, together with an opiate dentifrice and elixir he composes, cleanses and fastens the teeth, and is a perfect cure for the scurvy, which so frequently relaxes the gums.

☞ Advice and attendance, *gratis*, to poor and distressed families: The Doctor will only request a certificate of their situations from the ministers of their respective parishes.

BY the articles of association it is provided, that "The President and Directors shall have power to make application to the legislature of the state, at the next or any succeeding session thereof, for an act of incorporation for the said company, on the principles, and with the powers and privileges expressed in the first article of this association, and with such other powers and privileges as they may think advisable and to consent, on the part of the company, to such terms and conditions for obtaining the said act, as they shall think proper."

In pursuance of the above recited powers, a petition was presented to the last legislature by the president and directors, accompanied with the draft of an act of incorporation, in conformity with the articles of the association. The managers respectfully solicit the aid of the public to accomplish the object of the above lottery. Considerable exertions for several years having been already made by an association of ladies for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax—The managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12½ per cent—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.
