To the Voters of the City and County of Baltimore.

THE Subscriber having been appointed Clerk of the court of oyer and terminer and general jail delivery, for Baltimore county, begs leave to make his most grateful acknowledgments to his friends in particular, and the voters of Baltimore county in general, for their friendship manifested towards him whilst he was a candidate for the office of sheriff; and informs them that in consequence of his said appointment, he has declined offering as a candidate for the next sheriffalty; but anticipates the pleasure of being serviceable to them in a different department.
He remains with the greatest regard and esteem,
Their obedient servant,
WM. S. SUMMERS.

To the Voters of the City and County of Baltimore.

HAVING been encouraged by many of my friends in the city and county to offer myself as a candidate to be put in nomination for the Office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.
Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life. Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

To the Voters of the city and county of Baltimore.

Gentlemen,
BEING solicited by many of my friends, both in City and county, to offer myself a candidate for the office of SHERIFF, I have taken the liberty of soliciting your suffrages at the ensuing election, as I consider myself qualified, (from long experience as assistant to the present and two preceding Sheriffs) to discharge the important duties attached to that office. My engagements will continue to prevent a personal application to each individual, whose approbation I am anxious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites, I hope the want of a personal interview will be no material objection against,
The Public's Humble Servant,

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.
As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.
Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.
For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat county perhaps in the state, where no competion can be dreaded and is on tide water.
The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.
The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth: in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Jenney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.
Terms of sale will be one fourth in cash, or an approved negociable note at sixty days; the balance in three equal payments, at six, nine and twelve months, bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.
ELISHA JANNEY,
Surviving partner.
