THE FARM on which I live, containing between five and six hundred acres of level Land, and well adapted, in general, to receive the plaister of Paris as a manure, on the post-road from the City of Washington to Port-Tobacco, and about eight miles from Piscataway. On it is every necessary building; plenty of excellent spring water, and a pump at the door; fruit-trees in abundance and great variety, an excellent kitchen-garden; several clover lots; some valuable low meadow ground; and wood and timber to last many years.—Persons wishing to purchase, it is presumed, will view the premises previous to any contract, and therefore; further description is unnecessary. If I sell the land, it shall be given up to the purchaser on the 1st January next, and previous to that time I will sell all my moveable property and crop made on it, with some few exceptions.—Being extremely infirm, and unable to manage a farm, my object is to move to some town or city, and spend the remnant of my life in retirement.—The terms of sale will be, one-third of the purchase-money in hand, one-third at the end of twelve months from the day of sale, and the remaining one-third at the end of two years, with legal interest thereon. Bonds, with security, and a lien on the land will be required. GEORE LEE.

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction.* The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after, will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

20,000 numbers.

Not two blanks to a prize.

The Tickets to be sold in halves at five dollars each.

The managers respectfully solicit the aid of the public to accomplish the object of the above lottery. Considerable exertions for several years having been already made by an association of ladies for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax—The managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12½ per cent—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

For Sale,

A TRACT of LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence purchased of Mr. William Buchanan.

Also,

A TRACT of LAND containing about three hundred acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling house, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and a good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills: there is a mill not more than a quarter of a mile from the last mentioned place; a good neighborhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.

Doctor Dastuge,

(Lately arrived in this place)

East-street, No. 3, near the public Library,

OFFERS his services to those ladies and gentlemen who may have occasion to employ him: Having passed the best part of his time, since his study, at the principal schools in Montpelier and Paris, particularly in the *Charity and Hotel Dieu Hospitals,* he flatters himself he has acquired sufficient knowledge of physic and surgery to recommend him to the confidence of the inhabitants of this city.

The Doctor has a PREVENTIVE, that any person having suspicion of being infected, by application in the space of three days after connexion, he will engage to cure radically in a few days. Gentlemen, particularly, who by imprudence, may be under some disagreeable apprehension, should not hesitate a moment in making an early application, by which they will secure their health and peace of mind.

Swellings and inflammations from fresh infections, either venereal, gout, rheumatism, or scorbutic, reduced in a short time, without cutting or pain.

The Doctor cures particularly the *rheumatism* and a *certain disorder,* without *mercury,* and in so short a time as will astonish the patient.

Numerous are the unhappy people, as well in the country as in this great city, who unfortunately labor under the above destructive disorders for months and years, suffer their constitutions to be entirely ruined, rather than to apply for proper assistance, and give themselves up for lost.

Let none of *either sex despair,* in the worst cases, and of ever so long standing; if curable, the doctor will engage to perform a complete cure in the space of six weeks or two months---the patient conforming to the doctor's directions.

Gleets and seminal weaknesses effectually cured.

The doctor likewise makes artificial teeth, and trusses or bandages for all kinds of ruptures, and *pieces* proper to repair defects of the human body, some of which decency will not permit him to explain. The secret on his part was always sacred, as those who have had occasion have experienced.

He has had also great success in performing an operation on the teeth, which takes off the tartar, cleanses and makes them white in an easy manner, no ways painful, and without doing the least injury to the enamel; which operation, together with an opiate dentifrice and elixir he composes, cleanses and fastens the teeth, and is a perfect cure for the scurvy, which so frequently relaxes the gums.

☞ Advice and attendance, *gratis,* to poor and distressed families: The Doctor will only request a certificate of their situations from the ministers of their respective parishes.
