Valuable Property.

FOR SALE,
THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary outhouse—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.
ALSO,
That well-known, valuable FARM, called *Grace's Quarter,* situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore, by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.
I likewise offer the following town-property for sale:
A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.
A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.
A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.
A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.
A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.
Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.
ENGELHARD YEISER.

Edward Pryor,

CALLICO DYER, FROM LONDON,
BEGS leave to inform the merchants and store-keepers of Baltimore, that since his arrival he has dyed many hundred yards of damaged and other Manchester goods for some of the principal importers of this city, who expressed their approbation of his work in the most approved terms, and generously granted him the liberty of referring any gentleman to them, who may be prudently cautious in depending upon the bare professions of a stranger. His dye-house may be found near the stone bridge, York-street, leading to Leaman's gardens, where the water and other conveniences enable him to dye and dress all kinds of linens, callicoes, muslins, nankeens, corduroys, velvets, and every description of Manchester goods, so as to bear a comparison with the best imported. Whoever pleases to favor him with their employ, he has no doubt will soon find it to their advantage in giving him that encouragement, which it will ever be his pride and privilege to merit.

Baltimore Water Company.

BY the articles of association it is provided, that "The President and Directors shall have power to make application to the legislature of the state, at the next or any succeeding session thereof, for an act of incorporation for the said company, on the principles, and with the powers and privileges expressed in the first article of this association, and with such other powers and privileges as they may think adviseable and to consent, on the part of the company, to such terms and conditions for obtaining the said act, as they shall think proper."
In pursuance of the above recited powers, a petition was presented to the last legislature by the president and directors, accompanied with the draft of an act of incorporation, in conformity with the articles of the association. The law passed by the legislature so materially differs, in many particulars, from the articles subscribed that the president and directors, on mature consideration, do not think it adviseable to accept of, or to act under the law, in its present form, or until an alteration thereof can be procured; but in all respects to execute the said articles, as far as they have the means to do so, upon the faith of which individuals have subscribed and paid their money.
