To be Leased,

THAT very valuable PROPERTY, beautifully situated on the east side of Jones' falls, adjoining the residence in the city, of Harry D. Gough, esquire. It contains on Front-street nearly 180 feet, and extends back to the falls about the same distance, agreeably to a plot of the same made by Mr. Bouldin. The whole front on the falls is permanently secured with large logs, where there is a sufficient depth of water to admit scows or other flat-bottomed vessels to lie alongside the wharf. It is as fine high, dry, healthy situation, as perhaps any in this city; affords excellent water; and from its situation can never be injured by the rising of the water in the falls.—This property is most unquestionably among the first situations in the city for a brewery, distillery, any kind of manufactory, or for private building. Apply to Owen Dorsey, esq. near the court-house, or to the subscriber, living at the upper end of Pratt-street.

One Thousand Dollars

REWARD.

ON Saturday evening, between dark and ten o'clock, the Office of Discount and Deposit, established in this city, was forcibly opened by thieves, and a Sum of Money in paper and specie, chiefly small change, contained in a small wrought-iron chest, was stolen therefrom. The villains who perpetrated this daring robbery, were not able to succeed, altho' they made the most violent attempts to penetrate the vaults: all they effected was to bear off the iron chest above mentioned, and its contents. Among other bank notes therein, was a parcel of old defaced notes, two of which were for 500 dollars each, of this office; the indorsements on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation.—About the hour this act was committed, a person was seen with an iron chest in a wheel-barrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in this atrocious robbery. The above reward will be given to any person or persons who will detect and bring them to conviction: and should one of the accomplices engaged therein make a discovery, so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state to obtain for him a full and free pardon.

DAVID HARRIS, Cashier.

Improved Method

OF TEACHING

THE FRENCH LANGUAGE,

(By the Subscriber),

Displayed in a series of Vocabularies and familiar Phrases---suited to every capacity.

SCHOOL FOR PUBLIC TUITION,

6, *Water-street,*

Between South and Calvert-streets,

Every Morning and Evening, between 6 and 8 o'clock---the rest of the day devoted to private teaching, at home or abroad.

THE New Method, here announced, has been lately introduced, and is now successfully practised by the most eminent French teachers in these states. It is the substance of a work which contains a judicious selection of the most necessary words used in familiar discourse, faithfully translated, and exemplified by well-adapted phrases; thus presenting a compact, yet perspicuous view, of the most essential part of the language of conversation, by which means a person of ordinary capacity may be taught, in a short time, *(with little study, and without the drudgery of making translations)*, to READ and SPEAK the French Language with correctness, elegance and fluency.

The Subscriber being fully conversant in this new mode of tuition, and possessing the qualifications requisite to convey to learners an easy and graceful pronunciation, most respectfully tenders his services to the ladies & gentlemen of Baltimore and its vicinity, to teach them the French Language accordingly: and he has the assurance to hope, that, if honored with the confidence of persons desirous to learn, he shall be able to give them ample and prompt satisfaction.

He begs leave to inform *Germans* and other *foreigners*, that he is sufficiently familiarised with the German language to be able to teach them French or English (or both) with perspicuity and dispatch. J. BROWN.

A *Prospectus*, explanatory of the Improved Method of teaching, may be had by applying at the School.
