Public Sale.

Pursuant to the last will and testament of the late William Cottman, will be sold at Public Sale, on WEDNESDAY, *the 25th of September next,*

THAT valuable and well improved FARM, formerly the property of William Adams, esq. being in Somerset county, situate on the head of Wecomoco creek, within 5 miles of Princess-Ann, and 10 of Salisbury, containing about 384 acres, on which there is an elegant two-story brick house completely finished, in the most fashionable manner, with a good cellar, pantry and kitchen below; there is also a good cook-room adjoining the house, an excellent granary with a good cellar, two large barns, and all other convenient out houses; also a good apple and peach orchard, with a great variety of almost all kinds of fruit. The soil is very fertile, easily cultivated, and well adapted to the growth of wheat, corn and tobacco—The purchaser will be at liberty to sow a crop of wheat on the farm this present year. Bond and security, bearing interest from the day of sale, will be required, for the payment of one-third part of the purchase money on the first day of January next, at which time possession will be given; and one-third on the eleventh day of October, eighteen hundred and seven; and the residue on the eleventh day of October, eighteen hundred and eight.

For Sale,

A TRACT of LAND, containing upwards of eight hundred acres, situated in Anne-Arundel county, about twenty-four miles distant from the city of Baltimore, and nearly adjoining the road from thence to Fredericktown that is proposed to be turnpiked. This land lies in a compact body, has the advantage of a remarkably healthy situation, and contains a large proportion of very rich meadow ground. The soil is well adapted to the cultivation of all kinds of small grain, corn and tobacco, and might be very highly improved by the use of plaister of Paris. It would be sold in a body, or divided to suit purchasers; and if a small part of the purchase money be paid down, a liberal credit will be given for the balance. The title indisputable.

A more particular description of the land is deemed unnecessary. Those inclined to purchase will be pleased to apply to the proprietor, residing in the city of Annapolis.

For Sale,

THE FARM on which I live, containing between five and six hundred acres of level Land, and well adapted, in general, to receive the plaister of Paris as a manure, on the post-road from the City of Washington to Port-Tobacco, and about eight miles from Piscataway. Stop the Horse-Thief.

THIRTY DOLLARS REWARD.

RAN away from the subscriber, on Sunday morning, the 23d of June, an indented Servant Man named John Jacob Herman Gysinck, *a native of Holland, who arrived from Bremen in October last, in the ship Weser, captain Tietjen. Said fellow took with him, out of my stable, my horse, saddle and bridle. He speaks the Hollana and German languages incorrectly, and very broken English. He is 26 years old; an apothecary by profession; about 5 feet 2 or 3 inches high, of a dark complexion; his hair black, but mixt with grey; he is a little bow-legged. Had on when he went away, a dark-colored cloth coat, with gilt buttons, yellow nankeen trousers, a half-worn black fur hat, &c. The horse he exchanged since he left Baltimore, near Berlin, in Adams county.*

Whoever apprehends said horse-thief, and secures him in Baltimore jail, shall receive the above reward, and all reasonable charges, paid by HENRY KEERL.

To the Voters of the city and county of Baltimore.

Gentlemen,

BEING solicited by many of my friends, both in City and county, to offer myself a candidate for the office of SHERIFF, I have taken the liberty of soliciting your suffrages at the ensuing election, as I consider myself qualified, (from long experience as assistant to the present and two preceding Sheriffs) to discharge the important duties attached to that office. My engagements will continue to prevent a personal application to each individual, whose approbation I am anxious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites, I hope the want of a personal interview will be no material objection against

To be Sold or Rented,

A Three-story Brick Dwelling HOUSE, next door to that of captain Isaac Phillips, in Franklin-street; it contains six large rooms, besides those of the garret, which are fit for servants, a good cellar under the whole, with kitchen, a stable, and an extensive garden. There is not perhaps a situation within the city or precincts of Baltimore that exceeds this for the salubrity of the place, the beauty of the prospect, the convenience of getting provisions, &c.---Possession may be had immediately.

A purchaser may expect to meet with reasonable terms, and receive an indisputable title.

Also, for Sale,

A small brick Dwelling HOUSE on the north-east side of the Reister's-town turnpike road, a few doors above Morris-street. For this and the above, apply at the French Seminary. Sept. 7. 2aw

For Sale,

A TRACT of LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence purchased of Mr. William Buchanan.

Also,

A TRACT of LAND containing about three hundred acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling house, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and a good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills: there is a mill not more than a quarter of a mile from the last mentioned place; a good neighborhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.

Doctor Dastuge,

(Lately arrived in this place)

East-street, No. 3, *near the public Library,*

OFFERS his services to those ladies and gentlemen who may have occasion to employ him: Having passed the best part of his time, since his study, at the principal schools in Montpelier and Paris, particularly in the *Charity and Hotel Dieu Hospitals*, he flatters himself he has acquired sufficient knowledge of physic and surgery to recommend him to the confidence of the inhabitants of this city.

The Doctor has a PREVENTIVE, that any person having suspicion of being infected, by application in the space of three days after connexion, he will engage to cure radically in a few days. Gentlemen, particularly, who by imprudence, may be under some disagreeable apprehension, should not hesitate a moment in making an early application, by which they will secure their health and peace of mind.

Swellings and inflammations from fresh infections, either venereal, gout, rheumatism, or scorbutic, reduced in a short time, without cutting or pain.

The Doctor cures particularly the *rheumatism* and a *certain disorder*, without *mercury*, and in so short a time as will astonish the patient.

Numerous are the unhappy people, as well in the country as in this great city, who unfortunately labor under the above destructive disorders for months and years, suffer their constitutions to be entirely ruined, rather than to apply for proper assistance, and give themselves up for lost.

Let none of either sex despair, in the worst cases, and of ever so long standing; if curable, the doctor will engage to perform a complete cure in the space of six weeks or two months—the patient conforming to the doctor's directions.

Gleets and seminal weaknesses effectually cured.

The doctor likewise makes artificial teeth, and trusses or bandages for all kinds of ruptures, and *pieces* proper to repair defects of the human body, some of which decency will not permit him to explain. The secret on his part was always sacred, as those who have had occasion have experienced.

He has had also great success in performing an operation on the teeth, which takes off the tartar, cleanses and makes them white in an easy manner, no ways painful, and without doing the least injury to the enamel; which operation, together with an opiate dentifrice and elixir he composes, cleanses and fastens the teeth, and is a perfect cure for the scurvy, which so frequently relaxes the gums.

☞ Advice and attendance, *gratis*, to poor and distressed families: The Doctor will only request a certificate of their situations from the ministers of their respective parishes.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

The managers respectfully solicit the aid of the public to accomplish the object of the above lottery. Considerable exertions for several years having been already made by an association of ladies for the education of poor orphans of all denominations----Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resource of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax—The managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or in any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free-School, for the education of poor children, male and female, of every denomination—will also, in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be consdered as relinquished for the orphans.

St. Paul's Parish Lottery.

THE Subscribers having been appointed by the vestry of St. Paul's parish, managers o a lottery authorised by the general assembly of Maryland and the corporation of the city of Baltimore, intended to raise a sum of money for the erection of a parsonage house, and for other purposes, offer to the public the following

Scheme:

Of the above prizes,

1 1000 - - 17000
1 2000 - last drawn ticket.

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction*. The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after, will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

Tickets may be had of the managers, and of such other peasons as they may appoint; and prizes in the Cathedral and Second Presbyterian Church Lotteries will be received in payment.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat county perhaps in the state, where no competion can be dreaded and is on tide water.

The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.

The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth: in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Jenney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.

Terms of sale will be one fourth in cash, or an approved negociable note at sixty days; the balance in three equal payments, at six, nine and twelve months, bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.
