One Thousand Dollars
REWARD.
ON Saturday evening, between dark and ten o'clock, the Office of Discount and Deposit, established in this city, was forcibly opened by thieves, and a Sum of Money in paper and specie, chiefly small change, contained in a small wrought-iron chest, was stolen therefrom. The villains who perpetrated this daring robbery, were not able to succeed, altho' they made the most violent attempts to penetrate the vaults: all they effected was to bear off the iron chest above mentioned, and its contents. Among other bank notes therein, was a parcel of old defaced notes, two of which were for 500 dollars each, of this office; the indorsements on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation.—About the hour this act was committed, a person was seen with an iron chest in a wheel-barrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in this atrocious robbery. The above reward will be given to any person or persons who will detect and bring them to conviction: and should one of the accomplices engaged therein make a discovery, so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state to obtain for him a full and free pardon.
