Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary outhouse—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all compiete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

Martha Furnace.

FOR SALE AT PUBLIC AUCTION,

At the Merchants' Coffee-house, Philadelphia, on SATURDAY, *the 16th November next, at 7 o'clock, P. M.*

ALL that very Valuable Estate situate on Wading river, a branch of Little Egg-harbor river, in the county of Burlington, state of New-Jersey, within two miles of the post road from Philadelphia to Tuckerton, containing about 15,000 acres of land, whereon is erected a Blast Furnace, as large and substantial as any in the state, in good repair, and noted for the soft and good quality of the iron, and abundant yield; also, a grist-mill, saw-mill, stamping-mill, a good mansion house, with a number of tenements, sufficient to accommodate all the workmen, a two-story house for the clerk or founder, a store-house, barn, and stabling sufficient for all the teams, a good large cow-shed, coal-house, hay-house carriage and spring-house, a thriving apple and peach orchard.—A large part of the land remains in timber, and what has been cut off is growing up again. There are a number of ore beds, containing ore sufficient to consume all the wood; and to those best acquainted with that kind of property, it is well known to increase or grow as fast as the wood. The stream of water is good, and sufficient to supply a forge (in addition to the present works), which may be erected at the present dam.

The situation is equal to any in the state, a the iron can be sent from the furnace to Philadelphia, or New-York market, at the small expence of two dollars and fifty cents per ton. There is on the same stream, one mile below, a forge and slitting-mill, which will also afford a market for pig iron; and there is another new forge within twelve miles, to which this furnace is the nearest.

The purchaser, if he chooses, can have the personal property at a valuation, and on easy terms.

Any person wishing further information, or inclining to view the premises, will please apply to *Robeson & Pauls*, 53, north Water-street, Philadelphia, or to *Jesse Evans*, on the premises. The conditions, which will be easy, will be made known at the time of sale.

To the Voters of the city and county of Baltimore.

Gentlemen,

BEING solicited by many of my friends, both in City and county, to offer myself a candidate for the office of SHERIFF, I have taken the liberty of soliciting your suffrages at the ensuing election, as I consider myself qualified, (from long experience as assistant to the present and two preceding Sheriffs) to discharge the important duties attached to that office. My engagements will continue to prevent a personal application to each individual, whose approbation I am anxious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites, I hope the want of a personal interview will be no material objection against,

The Public's Humble Servant,

The Tickets to be sold in halves at Five Dollars each.

The managers respectfully solicit the aid of the public to accomplish the object of the above lottery. Considerable exertions for several years having been already made by an association of ladies for the education of poor orphans of all denominations----Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resource of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax—The managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or in any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free-School, for the education of poor children, male and female, of every denomination—will also, in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be consdered as relinquished for the orphans.

St. Paul's Parish Lottery.

THE Subscribers having been appointed by the vestry of St. Paul's parish, managers of a lottery authorised by the general assembly of Maryland and the corporation of the city of Baltimore, intended to raise a sum of money for the erection of a parsonage house, and for other purposes, offer to the public the following

Scheme:

1	Prize of		-	$10000

Of the above prizes,

1	2000	-	last drawn ticket.	

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction.* The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after, will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

Tickets may be had of the managers, and of such other peasons as they may appoint; and prizes in the Cathedral and Second Presbyterian Church Lotteries will be received in payment.

BY the articles of association it is provided, that "The President and Directors shall have power to make application to the legislature of the state, at the next or any succeeding session thereof, for an act of incorporation for the said company, on the principles, and with the powers and privileges expressed in the first article of this association, and with such other powers and privileges as they may think advisable; and to consent, on the part of the company, to such terms and conditions for obtaining the said act, as they shall think proper."

In purfuance of the above recited powers, a petition was presented to the last legislature by the president and directors, accompanied with the draft of an act of incorporation, in conformity with the articles of the association.
