Horses Stolen.

Sixty Dollars Reward.

STOLEN on the night of the 8th instant, out of the pasture about 3 miles from Baltimore, on the Frederick-town turnpike road, a Brown Bay MARE, between 14 and 15 hands high, with a coarse black mane and tail, a natural trotter, remarkably long and strait in the body, trots remarkably slow and easy, is accustomed to geers, & is an excellent leader in a single team; she has been used to wear iron hopples, on account of her kicking at other horses, which has worn the hair on the fetlocks very short; she is about 9 or 10 years old, and had no shoes on her hind feet when stolen. It is supposed she has some white on her off hind fetlock-joint.

Stolen on the same night, from the tongue of a waggon, on the same road, close to Ellicott's new mills, three miles from town, a Deep Bright Bay HORSE, between 14 and 15 hands high, black mane and tail, the mane is remarkably thin, and his ears are very large, his tail is pretty short and tapers with a kind of switch to it; he carries a very high head when trotting or galloping, is a natural trotter, and is a hard riding horse when galloped; has great spirit, and will both ride and work well; he is shod all round, and his shoes are about half worn.

Whoever will secure said horse and mare, so that the owners can get them again, or deliver them, or either of them, to either of the subscribers, shall receive Twenty Dollars each, and Twenty Dollars for the thief, if secured so that he may be brought to justice, and all reasonable charges, paid by
JOHN MITCHELL,
20, Cheapside wharf.
HENRY CLARKE,

Valuable Property.

FOR SALE,
THE PLANTATION whereon I reside, containing about 331¼ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 38 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.
