Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331¼ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck at the conflux of Gunpowder river and Salt Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

Nov. 8. m&th

To the Voters of the City and County of Baltimore.

THE Subscriber having been appointed Clerk of the court of over and terminer and general jail delivery, for Baltimore county, begs leave to make his most grateful acknowledgments to his friends in particular, and the voters of Baltimore county in general, for their friendship manifested towards him whilst he was a candidate for the office of sheriff and informs them that in consequence of his said appointment, he has declined offering as a candidate for the next sheriffalty; but anticipates the pleasure of being serviceable to them in a different department.

He remains with the greatest regard and esteem,

Their obedient servant,

WM. S. SUMMERS.

To the Voters of the City and County of Baltimore.

HAVING been encouraged by many of my friends in the city and county to offer myself as a candidate to be put in nomination for the Office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.

Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life. Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Allegany count, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn, with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.

Also, within 1½ miles of said town, about 400 acres of well timbered Land, principally of oak. The situation of this Lot, and the body of wood around, is a most beautiful situation for a Tan Yard; and from its proximity to the water, the small expence of procuring Bark, ought to be an object to some Tanner, that wishes to extend his business to advantage.
