A Tract of Land at Public Sale.

To be Sold at Public Sale, on FRIDAY, *the 20th day of December next, on the premises, if fair, if not, the next fair day,*

A TRACT of LAND, on which Mr. Nicholas Dorsey lately lived, containing about 486 acres, with a commodious two-story brick House and other necessary Buildings, which, at a small expence, may be put in good repair. This tract immediately joins Mr. Richard Owings's mill property (on Elk-Ridge), where a constant market is offered for the produce of it at the very door. It is situated about 20 miles from Baltimore, and nearly the same distance from the Federal City. From its proximity to these two great markets, it is certainly an object worthy the attention of the farmer who can afford to improve it; and offers to the inhabitant of the city an eligible retreat in summer, where he will find a variety of fine fruits, and as healthy a spot as any in this country. A further description is deemed unnecessary, as the purchaser will of course view the premises.

Mr. William Willing and Mr. Samuel Ridgely, who live in the neighborhood, will shew the property to whoever may wish to see it.

Terms of sale, one half payable in sixty days, the residue in one and two years.

For Sale,

A CT A TRof LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence purchased of Mr. William Buchanan.

Also,

A TRACT of LAND containing about three hundred acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling house, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and a good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills: there is a mill not more than a quarter of a mile from the last mentioned place; a good neighborhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.
