Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331¼ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it---likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or lea e a line at my store, 30, north Gay-street, which will be attended to.

ENGELHARD YEISER.

July 17 eo

Will be sold,

On the 31st day of December next, on the premises, by virtue of a decree of the High Court of Chancery, at Public Auction, to the highest bidder,

A LOT of GROUND, containing 54 acres, being part of a tract of land called Pierpoint's United Defence, lying about seven miles from Baltimore, on the road to Ellicott's lower mills The terms will be made known at the time and place of sale.

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction.* The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after, will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

Tickets may be had of the managers, and of such other peasons as they may appoint; and prizes in the Cathedral and Second Presbyterian Church Lotteries will be received in payment.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Allegany county, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres A great proportion of this tract is in natural meadow, which is interseeted by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom," lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c.
