Notice to Tanners.

FOR SALE, a lot of ground containing 21 acres, through which passes a large run, situated in Bush Town, at the head of Bush River, 25 miles from the city of Baltimore. Also, within 1½ miles of said town, about 400 acres of well timbered Land, principally of oak. The situation of this Lot, and the body of wood around, is a most beautiful situation for a Tan Yard; and from its proximity to the water, the small expence of procuring Bark, ought to be an object to some Tanner, that wishes to extend his business to advantage. The wood itself, after the bark was taken off, would more than treble pay for the land, if brought to Baltimore, and would only have to be hauled about two miles to the water. The said property will be exchanged for lots in or near the city, or would be sold on moderate terms, for bonds, with good security.—For further particulars apply to the printers hereof.
