100 Dollars Reward.

RAN-AWAY from Thomas Linthicum on the 30th March last, a few days before he removed to the Western Country, a tolerably dark mulatto woman, named MIMY, 30 years of age, 5 feet 3 or 4 inches high, rather slender made, her clothing unknown, as she has been gone a length of time; has a bushy head of hair, lost one of her fore teeth out of her upper jaw, near the eye tooth; it is supposed she has a young child, or now about in the straw, as she was young with child when absconded. She has a husband, the property of Zacheriah Maccubin, who lived near where she went from, until the 3d November last, and then he absconded: no doubt they are both together: the fellow is black, named FRANK, 43 years of age, 5 feet 7 or 8 inches high, stout made, has been a miller a number of years, is a good weaver, and is handy about plantation work. It is supposed they have changed their names, and have obtained passes, and will endeavor to pass as free people. As the man is a very smart fellow, he may get in some mill. The woman has been seen in Baltimore on Federal-hill, all summer, but now it is said she has removed to a part of the town called Old-Town. Any person taking up said negroes, and confining them in jail, so that they may be had by the subscribers again, shall be entitled to the above reward, or 50 dollars for either, and all reasonable expences paid if brought home.

1	2000	-		last drawn ticket.

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction.* The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after, will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

Tickets may be had of the managers, and of such other peasons as they may appoint; and prizes in the Cathedral and Second Presbyterian Church Lotteries will be received in payment.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Alegany county, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stories high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.
