A MODEL

OF THE CITY OF JERUSALEM.

A. TUCKER

RESPECTFULLY returns his thanks to the Ladies and Gentlemen of Baltimore, for the flattering encouragement he has received since the opening of the exhibition of the Model of the city of Jerusalem—and begs leave to acquaint them, that he is now waiting for the river to open, when that most valuable of all exhibitions in the world, will be removed.—

This Model is laid out on a scale 16 feet by 8, agreeably to the map of Josephus, all in wooden buildings, after the Gothic style, together with Solomon's rich and elegant Temple. As this work has been published in two of the papers of Baltimore, inferior to none in this city, it is deemed unnecessary to give a further description of this master piece of workmanship. I can therefore, with confidence invite all to view it, and attend its lectures, as it never fails to afford universal satisfaction to all classes of people who attend.

As money is not the only object, his admittance is only 25 cents for Ladies and Gentlemen; half price for Children.

N. B. He has removed to the house of Mrs. Mitchel, No. 6, Market-space, where his admittance is bold and convenient, through an entry for Ladies and Gentlemen.

All favors gratefully received.
