A MODEL
OF THE CITY OF JERUSALEM.

A. TUCKER

RESPECTFULLY returns his thanks to the Ladies and Gentlemen of Baltimore, for the flattering encouragement he has received since the opening of the exhibition of the Model of the city of Jerusalem—and begs leave to acquaint them, that he is now waiting for the river to open, when that most valuable of all exhibitions in the world, will be removed.—

This Model is laid out on a scale 16 feet by 9, agreeably to the map of Josephus, all in wooden buildings, after the Gothic style, together with Solomon's rich and elegant Temple. As this work has been published in two of the papers of Baltimore, inferior to none in this city, it is deemed unnecessary to give a further description of this master piece of workmanship. I can therefore, with confidence invite all to view it, and attend its lectures, as it never fails to afford universal satisfaction to all classes of people who attend.

As money is not the only object, his admittance is only 25 cents for Ladies and Gentlemen; half price for Children.

N. B. He has removed to the house of Mrs. Mitchel, No. 6, Market-space, where his admittance is bold and convenient, through an entry for Ladies and Gentlemen.

All favors gratefully received.

ABOLITION, REFORM, ORGANIZATION AND REGULATION OF THE
Courts of Law.

TO MORROW Evening will be published and for sale at GEORGE KEATINGE's Bookstore, Price *twenty-five* Cents, ACTS passed by the Legislature of Maryland, for the Abolition of the General Court and the Court of Appeals. ALSO, the ACT for the Organization and Regulation of the Courts.

THIS interesting Publication is worthy of perusal not only from the extraordinary changes which it has created, but from the interest which individually concerns each citizen. Ignorance of the law cannot be pleaded as an excuse for its violation, yet the legislature have not as yet contemplated any mode for giving publicity to a law so interesting to every individual—save only to such as are professionally entitled to the same.

The Gentlemen of the Bar are respectfully informed that a few Copies are printed on extra fine thick paper for their use.

100 Dollars Reward.

RAN-AWAY from Thomas Linthicum onthe 30th March last, a few days before he removed to the Western Country, a tolerably dark mulatto woman, named MIMY, 30 years of age, 5 feet 3 or 4 inches high, rather slender made, her cloathing unknown, as she has been gone a length of time; has a bushy head of hair, lost one of her fore teeth out of her upper jaw, near the eye tooth; it is supposed she has a young child, or now about in the straw, as she was young with child when absconded. She has a husband, the property of Zacheriah Maccubin, who lived near where she went from, until the 3d November last, and then he absconded: no doubt they are both together: the fellow is black, named FRANK, 48 years of age, 5 feet 7 or 8 inches high, stout made, has been a miller a number of years, is a good weaver, and is handy about plantation work. It is supposed they have changed their names, and have obtained passes, and will endeavor to pass as free people. As the man is a very smart fellow, he may get in some mill. The woman has been seen in Baltimore on Federal-hill, all summer, but now it is said she has removed to a part of the town called Old-Town. 5000 Tickets, at 5 dollars each, 75000

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worhy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

1	2000	-	last drawn ticket.	

From the above scheme, it appears that there are not two blanks to a prize; and that the prizes are to be paid *without deduction.* The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope will produce such a speedy sale of the tickets as may enable them to commence the drawing at an early day. All prizes will be paid within sixty days from the completion of the drawing; and such as may not be demanded within twelve months after will be considered as generous donations to the objects of the lottery. Bond has been given to the amount of 50,000 dollars, to the mayor and city council, for the faithful performance of its conditions.

Tickets may be had of the managers, and of such other peasons as they may appoint; and prizes in the Cathedral and Second Presbyterian Church Lotteries will be received in payment.
