TO BE SEEN,

Two Dromedaries,

FROM ARABIA.

THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of an hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit, and are the most docille animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest seventeen months

These astonishing animals are to be seen at No. 36, opposite the lower end of the Marsh-market, in a clean place. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this opportunity, which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and historians.

Admittance 25 cents, children half price.

50 Dollars Reward.

RAN away on the 31st of January last, from the subscriber's plantation, in Anne-Arundel county, a negro man named *Frank, alias Frank Brice*, aged about 25 years, 5 feet 7 or 8 inches high, two of his upper front teeth out, a well-looking, smart, well-spoken fellow, rather slim made, has a variety of cloathing, particularly a dark red coatee; he plays the fiddle. He was accompanied by his wife named Henny, and her child, Nelly, who are free; she is a remarkably short, fat, likely woman; the child about 7 years old, well grown of that age. THAT he continues to solicit their patronage for the office of *Sheriff*, at the ensuing election.

WE, the subscribers, of the city of Baltimore, do hereby certify, that Mr. William Merryman has acted towards us, as his creditors, in an honorable and upright manner—and has settled with us, we believe, to the utmost of his ability, and much to our satisfaction.

We are convinced his failure in business proceeded not from his own misconduct, but from those misfortunes incident to trade.

And further, after the insolvent act was passed in his favor, he shewed no disposition to use it to our injury, but made us, his creditors, such liberal propositions as to convince us of his correct intentions towards us.

To be Sold by Auction,

At the front door of the Eagle tavern, in the city of Richmond, on the 18th day of March next ensuing,

THAT most valuable estate, situated in the county of Wythe and Commonwealth of Virginia, and heretofore well known by the name of Cheswell's Lead Mines, but which for some time past, has been considered the property of Stephen Austin and Company, of the city of Philadelphia, by virtue of a purchase thereof by them, made under a decree of the high court of chancery of the said commonwealth, with the terms whereof they have not complied.

That purchase was made on the 20th day of February, 1793, for the sum of £ 6505, and since that period, they have made sundry great and very valuable improvements on said estate.

The well known value of the property, and the certainty which the subscribers feel, that those who mean to become purchasers will satisfy themselves thereof on view, render and further description of the property to be sold unnecessary.

The sale will be made in conformity to two several decrees of the superior court of chancery, which is directed by law to be held at the capitol, in the city of Richmond aforesaid, the one pronounced on the 8th day of June, and the other on the 7th day of October, in the year 1802.

Credit will be given to the purchaser or purchasers, for a term of nine months for one, and eighteen months for the other moiety of the purchase money, each moiety being secured, not only by a bond, with good security, made payable, at the expiration of the term of credit, to the subscribers, or the survivor of them, his executors, administrators or assigns, for the use in the said decree specified, and bearing interest from the date; but also, by the retention of the legal estate, until the whole purchase money, with such interest, shall be fully paid; on which payment, a conveyance or conveyances will be made to the purchaser or purchasers, in virtue of the said decrees by

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.
