The Subscriber offers for Sale

The following TRACTS of LAND, lying in Allegany county, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets ; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones ; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few arms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.

Sydenham's Works.

F. NICHOLS, *(of Philadelphia,)*

PROPOSES to reprint the works of Dr. Sydenham, in two volumes 8vo price about 3 dollars 50 cents.

Many physicians have been consulted on the expediency of printing Sydenham's Works, who concur in recommending the publication of them.

They will be published with notes, intended to render them more useful to the American student of Medicine, by BENJAMIN RUSH, M. D. professor of Medicine in the University of Pennsylvania.

As the expence of publishing these works will be considerable, and the sale not extensive, they cannot be undertaken without a prospect of success ; all physicians, therefore, who are inclined to encourage the publication of them, are desired to use their interest among their medical friends, and to transmit the names of subscribers in the state of Maryland, to George Hill, No. 104, Market-street, Baltimore.

The price will be raised to non-subscribers.

"This illustrious physician (says Dr. Rush,) has been admired and celebrated, not only by his countrymen, but by most of the nations in Europe. He wrote from nature, or rather nature wrote through him ; he combatted most of the errors, both in theory and practice, of the age in which he lived ; and finally, he produced a complete revolution in medicine, which involved in its consequences a new era in the life and happiness of the human race. He seems to have looked at nature in her operations in morbid bodies with a microscope. No deviation from health had escaped him, and hence the histories of diseases, which are to be met with in all our modern authors, are correct and perfect, only in proportion as they are copied from Sydenham"

For the character of Sydenham see Rush's introductory lectures.

100 Dollars Reward.

RAN-AWAY from Thomas Linthicum on the 30th March last, a few days before he removed to the Western Country, a tolerably dark mulatto woman, named MIMY, 30 years of age, 5 feet 3 or 4 inches high, rather slender made, her clothing unknown, as she has been gone a length of time ; has a bushy head of hair, lost one of her fore teeth out of her upper jaw, near the eye tooth ; it is supposed she has a young child, or now about in the straw, as she was young with child when absconded. She has a husband, the property of Zacheriah Maccubin, who lived near where she went from, until the 3d November last, and then he absconded : no doubt they are both together : the fellow is black, named FRANK, 43 years of age, 5 feet 7 or 8 inches high, stout made, has been a miller a number of years, is a good weaver, and is handy about plantation work. It is supposed they have changed their names, and have obtained passes, and will endeavor to pass as free people. As the man is a very smart fellow, he may get in some mill. The woman has been seen in Baltimore on Federal-hill, all summer, but now it is said she has removed to a part of the town called Old-Town. Any person taking up said negroes, and confining them in jail, so that they may be had by the subscribers again, shall be entitled to the above reward, or 50 dollars for either, and all reasonable expences paid if brought home.

Twenty Dollars Reward

Will be given for apprehending and securing in jail, a young mulatto man slave, named ANDREW. He was hired by me last year, to Mr. Joseph Thomas, who keeps the middle ferry to Alexandria, and absconded from that place about the latter end of August last. He is about 23 years age, five feet, 8 or 9 inches high, lusty and well made, has short curly hair, and is frequently subject to have several large pimples in his face —He is reckoned to a sensible fellow. of an easy agreeable address for a man in his low situation of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a free man, on board some vessel, either at Alexandria or Baltimore. Whoever takes him up and secures him in any jail, shall receive from me the above reward, as soon as due information thereof is given to me, or to my son, Dr. Nathaniel P. Causin, at Por-Tobacco, Charles county, Maryland.

RAN away on the 30th of last month, from the subscribers living in Alexandria, JOHN JOHNS, an apprentice to the boot and shoemaking business ; he is about 17 years of age, 5 feet, 7 or 8 inches high, slender made, dark complexion, and down look—had on when he went away, a long black coat, coarse dark trousers, Bennet's cord waistcoat (reddish figure). He will probably call himself JOHN STONE, which name he assumed in consequence of having been raised by a person of that name Whoever apprehends said apprentice and secures him in any gaol, and gives information, so that we get him again, shall receive 25 dollars, or the above reward if brought home. Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stabies, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable ; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale :

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the bove-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.
