Worthy of Attention.

On THURSDAY,

The 27th of March, at the auction store of the subscriber, at 12 o'clock, will be offered for sale, the following VALUABLE PROPERTY on terms that will then be made known, which will be accommodating:

FOUR PLANTATIONS, or TRACTS of unimproved LANDS, containing about 450 acres, each of Patented lands, being in Berk's county, and state of Pennsylvania—within about 100 and 10 miles of Philadelphia, being in the neighborhood of many respectable German settlers, of griss & saw Mills, and contiguous to the Schuylkill and Susquehannah rivers; waters that bring lumber and produce to Philadelphia and Baltimore. One is well watered, and abounds with excellent timber. The title clear and indisputable, being patented to, and will be conveyed by a gentleman of property and unexceptionable character in Baltimore.

Also,

25,000 acres of prime COTTON LANDS, patented in single thousand acre patents, and are adjoining each other, in Washington county, state of Georgia, upon the waters of the Ogetahee river, and within about 30 miles of Louisville, the seat of government of the state, with clear and indisputable titles; and will be conveyed by the same gentleman, and sold single or all together. The character of the lands given by a gentleman of the first respectability residing in Georgia, who has been over them is as follows: "The general situation and quality of the soil is favorable to the culture of cotton and small grain. It is generally well watered, and abounds with excellent pine timber. The streams are frequently obstructed by heavy growths of vines and briars, a sure criterion of the richness of the soil. The situation of the streams are flattering inducements for the establishment of saw mills, and it is clear of any prior claims" The growing importance of cotton lands is well known, and these are in the vicinity of the seat of government.
