A Card.

THE subscriber being informed, that the French minister, and other French agents, in this country, have repeatedly asserted, that he had no just claim on their government, and that he had been paid in full for all the supplies furnished to the same; feels it due to his own character to contradict these reports; and offers to prove to the satisfaction of all those who will take the trouble to call on him, that for supplies furnished in the West-Indies, as well as for advances made here part in *cash*, & part in provisions, to the French frigates, he now holds bills drawn by the French agents, and which are unpaid and protested, for upwards of one hundred and twenty thousand dollars.

He has besides the above, upwards of twenty thousand dollars in bills, received from Mr. Pichon, for passages furnished to the French soldiers, which bills also remain unpaid, and the minister of marine offers only 50 per cent. of their value in payment.
