A NEGRO MAN, about 30 years of age, who can turn his hand to any thing; he can shave and dress hair well; wait on table; he is a good Painter and Glazier. His standing employment for some years past, has been driving a carriage, and taking care of horses, that few understand better With all these qualities, an attachment to a set of idle companions, and the gin-shop, renders him unfit for the city If his master lived in the country, 1000 dollars would not purchase him. So satisfied is his master, that a removal there would make an entire change in his conduct, that any gentleman disposed to purchase, may have him on reasonable terms, and a few months on trial. Twenty Dollars Reward

Will be given for apprehending and securing in jail, a young mulatto man slave, named ANDREW. He was hired by me last year, to Mr. Joseph Thomas, who keeps the middle ferry to Alexandria, and absconded from that place about the latter end of August last He is about 23 years age, five feet, 8 or 9 inches high, lusty and well made, has short curly hair, and is frequently subject to have several large pimples in his face.—He is reckoned to a sensible fellow, of an easy agreeable address for a man in his low situation of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a free man, on board some vessel, either at Alexandria or Baltimore. Whoever takes him up and secures him in any jail, shall receive from me the above reward, as soon as due information thereof is given to me, or to my son, Dr. Nathaniel P. Causin, at Por-Tobacco, Charles county, Maryland.

Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

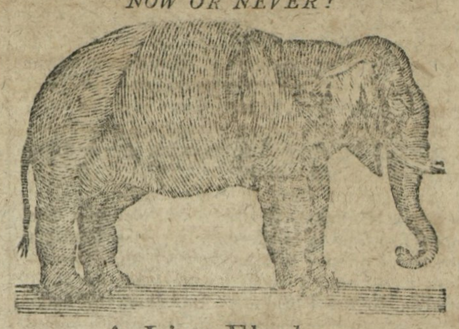

Whoever is inclined to purchase any of the bove-mentioned property, is requested to call on me, or lea e a line at my store, 30, north Gay-street, which will be attended to.

100 Dollars Reward.

RAN-AWAY from Thomas Linthicum on the 30th March last, a few days before he removed to the Western Country, a tolerably dark mulatto woman, named MIMY, 30 years of age, 5 feet 3 or 4 inches high, rather slender made, her clothing unknown, as she has been gone a length of time; has a bushy head of hair, lost one of her fore teeth out of her upper jaw, near the eye tooth; it is supposed she has a young child, or now about in the straw, as she was young with child when absconded. She has a husband, the property of Zacheriah Maccubin, who lived near where she went from, until the 3d November last, and then he absconded: no doubt they are both together: the fellow is black, named FRANK, 43 years of age, 5 feet 7 or 8 inches high, stout made, has been a miller a number of years, is a good weaver, and is handy about plantation work. It is supposed they have changed their names, and have obtained passes, and will endeavor to pass as free people. As the man is a very smart fellow, he may get in some mill The woman has been seen in Baltimore on Federal-hill, all summer, but now it is said she has removed to a part of the town called Old-Town. To Lease

For a number of years, a most valuable
MILL SEAT,

SITUATED on the waters of the Four Mile Run, in the forest of Washington, and possessing very superior advantages in all respects, as will appear from the annexed certificate.

" I do hereby certify, that I surveyed and " staked out the scite for a mill on the waters " of Four Mile Run, on the estate of George " Washington Park Custis, esq. This scite " has many great advantages, by digging a " race only sixty poles in length, and raising " a dam of two & a half feet in height, twenty-" eight feet fall may be had, which is quite " sufficient—if it was not, a great deal more " may be had by extending the race twenty " poles further. Where the dam ought to be " is a solid rock, where the water falls twelve " feet in the distance of a few yards. The " ground through which the race will pass, is " very safe and convenient, and where the " mill house ought to be erected, the ground " is well adaped for convenience and to save " expence.—On the premises at a very short " distance, there is stone and timber of good " quality, sufficient for all buildings that can " be wanted. This scite is about six miles " from Alexandria, a less distance from " George town and the City, and one mile " from the great road leading from Alexandria " to Leesburg.

" Given under my hand, February 15, 1806
GEORGE GILPIN.

The above survey was undertaken by col. Gilpin at my particular request, he being a gentleman whose great skill and experience in Mathematics, rendered him peculiarly fitted for the task. Any further information may also be obtained from him.

To an eligible man, or set of men, willing to lease this establishment, the length of time will be enhanced. I will give all the stone and timber necessary for the erection of the works free of charge. I purpose building a saw-mill, as soon as the race shall have been completed, at which the sawing for the other mill shall be done without expence. The stream is a very constant one, as the neighborhood can testify, and there is no mill above the present seat. Mr. Jacob Bontz, living upon the Leesburg road about 5 miles from Alexandria, will shew the premises, and give any further information that may be requested.
