Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the bove-mentioned property, is requested to call on me, or lea e a line at my store, 30, north Gay-street, which will be attended to.

30 *Dollars Reward.*

RAN away from the subscriber, on Tuesday the 4th inst. a negro man named BEN; he is a gardener and rough shoe-maker by trade, about 42 or 43 years old; his stature 5 feet 5, to five feet eight inches; stout and square built; he has very black woolly hair; his eyes of a red cast, a flat nose and thick lips; his complexion very black; he is a very artful plausible fellow, and of great address. His cloathing when he eloped, consisted of an osnaburg shirt, an old snuff-colored round jacket, a striped red and white waistcoat, a pair of grey Bath coating pantaloons, a pair of white home-knit yarn stockings, a pair of coarse home-made shoes, & an old castor hat. He had also, an old great coat of Welch plains, which had once been of a purple color, but is now almost white, and a red Bandanoe handkerchief for a neckcloth, but as he has a variety of cloaths, he may have carried off others of a different description.

It is not improbable he may go to Baltimore, Alexandria, or Philadelphia, for he absconded about ten years ago, and remained in Baltimore upwards of two months, in the employment of a brick maker.

Whoever will take up the above negro, and secure him in any jail, so that I may get him again, shall receive the above reward of thirty dollars. To any person that will bring him home, I will give the following reward, viz: if taken one hundred miles or upwards from home, I will give fifty dollars; if taken from sixty to one hundred miles from home, I will give forty dollars; if taken from thirty to sixty miles from home, I will give thirty-five dollars; if taken within thirty miles of this place, I will give the above reward of thirty dollars, and I will also pay all reasonable expences of bringing him home.

All masters of vessels and others, are forewarned from harboring, employing or carrying off said slave, as I will prosecute such as do so with the utmost rigor of the law.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.
