To be Sold,

One of the best servants in the state, with one fault.

A NEGRO MAN, about 30 years of age, who can turn his hand to any thing; he can shave and dress hair well; wait on table; he is a good Painter and Glazier. His standing employment for some years past, has been driving a carriage, and taking care of horses, that few understand better. With all these qualities, an attachment to a set of idle companions, and the gin-shop, renders him unfit for the city. If his master lived in the country, 1000 dollars would not purchase him. So satisfied is his master, that a removal there would make an entire change in his conduct, that any gentleman disposed to purchase, may have him on reasonable terms, and a few months on trial. Enquire of the printers.

I WILL SELL

THAT valuable FARM, whereon I now reside, upon Little Pipe Creek, Frederick county, Maryland, commonly known by the name of *Legh Furnace Farm*, containing seven-hundred and fifty acres of land, more or less; about the half cleared, which includes upwards of seventy acres of prime meadow land, and twenty more may be made at a very trifling expence.

This farm is generally ranked among the first in the county for grazing, and produces grain of all kinds equal to any in the state.

No situation can exceed it in point of health, or of every requisite convenience.

The improvements are, an elegant new two-story BRICK HOUSE, forty-eight feet by twenty feet, a brick back building of the same dimensions, and every out-house necessary for a farm of its extent.

A Grist and Saw-Mill, both in complete order, upon a never-failing stream of water. The Grist-Mill is capable of grinding from 30 to 50 barrels of flour in 24 hours. This farm is within thirty miles of Baltimore, three from Westminster, and within one mile of the intended turnpike road from Baltimore to Taneytown and Pittsburg.

Together with the farm, if chosen by the purchaser, will be sold an useful and fashionable collection of Household Furniture, kitchen and Farming Utensils of every description, a large, thriving and valuable young stock of Mules, Horses, Cows, &c. &c. &c. Application to be made to the subscriber, on the premises.

Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331½ acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the bove-mentioned property, is requested to call on me, or lea e a line at my store, 30, north Gay-street, which will be attended to.

The prevailing disposition to encourage the progress of Literature--the peculiar favor which St Mary's College has enjoyed--and the many splendid chances offered to adventurers by the above scheme, induce the managers to anticipate a rapid sale of the tickets. The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.
