## 500 *Dollars Reward!!*

FLED from the city of Baltimore, on Tuesday night, the 18th of March last, GERARD VON HARTEN, a merchant, and partner in the firm of *Kenter & Von Harten*, of that place. Some short time previous to his flight, he forged promissory notes to a very large amount, on twenty-eight of which forged notes (amounting to forty thousand dollars) twenty-eight indictments have been found against him, in the criminal court of Baltimore county.

*Gerard Von Harten* is a middle-sized man—5 feet, six or seven inches high—about thirty-two years of age—he has a round & regularly-featured face—of fair complexion, with full red cheeks, and is slightly pitted with the small-pox—his eyes are rather small, and of a dark hazel color—his mouth small with a good set of teeth—his hair is dark or chesnut colored, & is cropped short.--He is a native of Germany, and retains much of the Dutch accent in speaking English, which he articulates slowly, and with a little lisp.

When he left Baltimore, he travelled leisurely through Virginia, collecting his debts in Fredericksburg, Richmond and other parts of the state, and about the first of April was seen at Stanton, near which place he is supposed to be at present. Any person apprehending said VON HARTEN, and lodging him in any jail in the United States, so that he may be brought to punishment for the forgeries lately committed by him in Baltimore, & giving notice thereof to us the subscribers in said city, shall receive the above reward.

SAMUEL M'KIM and
JEREMIAH SULLIVAN.

N. B. Having debts due him in Kentucky, Tennessee, the Carolinas and Georgia, should he leave Virginia, will probably visit one of these states.

*The following TRACTS of LAND, lying in Allegany county, Maryland, viz.*

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets ; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones ; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath ; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes hrough said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few arms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow ; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.

WILL be offered for sale by the subscriber, at public auction, on SATURDAY, the 12th day of April next, at Peter Orndorff's tavern, on Elk-Ridge, a tract of land called COLUMBIA, containing between eight and nine hundred acres, laid off in lots of about one hundred and fifty acres each. This land is situate in Anne-Arundel county, in a remarkably healthy neighborhood, distant from Baltimore twenty four miles, and three miles from the Poplar spring ; the soil is peculiarly well adapted to the cultivation of small grain, corn and tobacco, and contains a large portion of rich meadow ground. The terms of sale, it it presumed, will be found inviting, as a small part only of the purchase money will be required in hand, and a liberal credit will be given for the residue. A plot of the land is left with Mr. Orndorff, where persons wishing to examine the same, are requested to apply.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general ; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

## Proposal

BY GEORGE DOBBIN & MURPHY,

*For publishing by subscription, in one volume octavo, price to subscribers one dollar and fifty cents, neatly bound, payable on delivery,*

THE LIFE OF THE
REV JOHN WESLEY, A. M.
To which will be prefixed,
*A comprehensive history of the Wesley Family :*
And an Appendix,
*Exhibiting the rise, progress, and present state of the Methodist Church, in the United States.*

THE Rev. Mr. Wesley was one of the most distinguished characters, who arose in the christian world during the 18th centry. The variety of his writings, the number of christians who have joined him, his extraordinary zeal, indefatigable perseverance, and exemplary life, all point him out as worthy of imitation. His publications in which the events of his life are recorded, are so multifarious, that it was desirable to have a more brief relation of his journeys and ministerial success. This has been already executed by Dr. Whitehead, Dr. Cocke and Mr. Moore, and others still more concisely. The object of this publication is to connect together in one volume, the most striking events which occurred during his long existence—Two motives have impelled this attempt—the scarcity of Dr. Whitehead's volumes, and a desire in many of the friends to see a portable account of the founder of the present Methodist societies, with a history of the means, which used under the blessings of God, have rendered their members so numerous.

The above work will be printed on a new type and good paper. It will be put to press as soon as a sufficient number of subscribers are obtained to defray the expences.

## For Sale.

THE Subscriber offers for sale, a valuable TRACT OF LAND, situated in Wharton township, Fayette county, Pennsylvania, on the waters of Big Sandy Creek, about nine miles from Union town, and about 1 1-2 miles from the main road, leading from Fort Cumberland to said town, containing three thousand acres, on which there is an appearance of a great quantity of Iron Ore, and about two thousand acres of rich bottom, through which the creek runs, which is a stream that never fails for water sufficient to work a merchant mill and furnace, which advantage is rare to be found in that country, and it is supposed the turnpike will run near, if not through the land. The subscriber will sell the above land low, and receive payment in goods for a great part of the amount. For further particulars, enquire of Clement Brooke, No. 8, North Howard-street.
