30 Dollars Reward.

RAN away from the subscriber, on Monday, the 31st of March last, negro HORACE, aged between 20 and 24 years, 5 feet 8 or 10 inches high, of a dark copper color; stout and well made; a fine set of teeth, which stand at a little distance apart; his head is covered with fine black hair; he has been brought up to wait in the house almost altogether, and to go with a carriage; he is excessively fond of liquor, & never fails to get drunk whenever an opportunity offers. Had on when he went away, a round kersey over-jacket and trousers, dyed of an olive color, striped blue and white linsey under-jacket, white yarn stockings, a fur hat much worn; his shoes pretty good; he took with him a pair of new dark-colored cloth trousers; a round dimity over-jacket; three white cotton shirts, ruffled at the bosom, one of them the ruffle is notted in points It is probable he will change his dress, as he took with him a variety of other clothes; he plays well on the violin, one of which he took with him It is more than probable he has gone either to Camden, in Delaware, (where he has an uncle living in the neighborhood, by the name of Scipo, a blacksmith) or to Philadelphia, to his father-in-law, by the name of Abram Register. The above reward will be given if taken out of the state, or twenty dollars in the state, and all reasonable charges paid by

WILLIAM B. SMITH.

30 *Dollars Reward.*

RAN away from the subscriber, on Tuesday the 4th inst. a negro man named BEN; he is a gardener and rough shoe-maker by trade, about 42 or 43 years old; his stature 5 feet 5, to five feet eight inches; stout and square built; he has very black woolly hair; his eyes of a red cast, a flat nose and thick lips; his complexion very black; he is a very artful plausible fellow, and of great address. His cloathing when he eloped, consisted of an osnaburg shirt, an old snuff-colored round jacket, a striped red and white waistcoat, a pair of grey Bath coating pantaloons, a pair of white home-knit yarn stockings, a pair of coarse home-made shoes, & an old castor hat He had also, an old great coat of Welch plains, which had once been of a purple color, but is now almost white, and a red Bandanoe handkerchief for a neckcloth, but as he has a variety of cloaths, he may have carried off others of a different description.

It is not improbable he may go to Baltimore, Alexandria, or Philadelphia, for he absconded about ten years ago, and remained in Baltimore upwards of two months, in the employment of a brick maker.

Whoever will take up the above negro, and secure him in any jail, so that I may get him again, shall receive the above reward of thirty dollars. To any person that will bring him home, I will give the following reward, viz: if taken one hundred miles or upwards from home, I will give fifty dollars; if taken from sixty to one hundred miles from home, I will give forty dollars; if taken from thirty to sixty miles from home, I will give thirty-five dollars; if taken within thirty miles of this place, I will give the above reward of thirty dollars, and I will also pay all reasonable expences of bringing him home.

All masters of vessels and others, are forewarned from harboring, employing or carrying off said slave, as I will prosecute such as do so with the utmost rigor of the law.

For Sale,

A very valuable TRACT of LAND, in Baltimore county, within 11 1-2 miles of the city of Baltimore, containing 640 acres, seated on a branch of Middle river, which empties into, and is within about 5 miles of the Chesapeake bay There are about 40 acres of this land cleared, the residue, about 600 acres, abounds with valuable timber, calculated for every useful purpose, such as ship-building, staves, &c. The soil is calculated to raise every species of country produce, but it is more particularly adapted for an extensive grazing farm, as more than one-half may be made choice meadow. The river, on which this land is seated, is navigable for vessels drawing about eight feet water, and abounds with the best fish, with which our markets are supplied, and there is not, perhaps, at this time, a tract of land offered for sale in the state, that enjoys more real advantages than this; its contiguity to the city of Baltimore, which is confessedly the best market on the continent, and the advantage of water carriage for ship timber, staves, tan-bark and fire wood, which is always in demand, and bears a flattering price, are objects worthy the attention of any person wanting to purchase such a place A part of the purchase money will be required down, and a pleasing credit given for the balance.
