## 30 Dollars Reward.

*RAN away from the subscriber, on Monday, the 31st of March last, negro HORACE, aged between 20 and 24 years, 5 feet 8 or 10 inches high, of a dark copper color; stout and well made; a fine set of teeth, which stand at a little distance apart; his head is covered with fine black hair; he has been brought up to wait in the house almost altogether, and to go with a carriage; he is excessively fond of liquor, & never fails to get drunk whenever an opportunity offers. Had on when he went away, a round kersey over jacket and trousers, dyed of an olive color, striped blue and white linsey under-jacket, white yarn stockings, a fur hat much worn; his shoes pretty good; he took with him a pair of new dark-colored cloth trousers; a round dimity over-jacket; three white cotton shirts, ruffled at the bosom, one of them the ruffle is notted in points. It is probable he will change his dress, as he took with him a variety of other clothes; he plays well on the violin, one of which he took with him. It is more than probable he has gone either to Camden, in Delaware, (where he has an uncle living in the neighborhood, by the name of Scipo, a blacksmith) or to Philadelphia, to his father-in-law, by the name of Abram Register. The above reward will be given if taken out of the state, or twenty dollars in the state, and all reasonable charges paid by*

## 30 *Dollars Reward.*

RAN away from the subscriber, on Tuesday the 4th inst. a negro man named BEN; he is a gardener and rough shoe-maker by trade about 42 or 43 years old; his stature 5 feet 5, to five feet eight inches; stout and square built, he has very black woolly hair; his eyes of a red cast, a flat nose and thick lips; his complexion very black; he is a very artful plausible fellow, and of great address. His cloathing when he eloped, consisted of an osnaburg shirt, an old snuff-colored round jacket, a striped red and white waistcoat, a pair of grey Bath coating pantaloons, a pair of white home-knit yarn stockings, a pair of coarse home-made shoes, & an old castor hat He had also, an old great coat of Welch plains, which had once been of a purple color, but is now almost white, and a red Bandanoe handkerchief for a neckcloth, but as he has a variety of cloaths, he may have carried off others of a different description.

It is not improbable he may go to Baltimore, Alexandria, or Philadelphia, for he absconded about ten years ago, and remained in Baltimore upwards of two months, in the employment of a brick maker.

Whoever will take up the above negro, and secure him in any jail, so that I may get him again, shall receive the above reward of thirty dollars. To any person that will bring him home, I will give the following reward, viz: if taken one hundred miles or upwards from home, I will give fifty dollars: if taken from sixty to one hundred miles from home, I will give forty dollars; if taken from thirty to sixty miles from home, I will give thirty-five dollars; if taken within thirty miles of this place, I will give the above reward of thirty dollars, and I will also pay all reasonable expences of bringing him home.

All masters of vessels and others, are forewarned from harboring, employing or carrying off said slave, as I will prosecute such as do so with the utmost rigor of the law.

## Education and Removal.

THE Subscriber begs leave to inform the public, that his present house in Franklin-street is too distant from the residence of many friends who wish to promote and to encourage his usefulness. He has therefore engaged a commodious house in Lexington-street, the third door east of Howard-street, and next to that of Oliver Polock, esq. For the present he will only pledge himself to accord with the following highly respectable vouchers; and that on Tuesday, the 20th instant, he will commence in the house last mentioned.

PATRICK EDWARDS.

FREDERICK-TOWN, *April 25*, 1806.

WE, the undersigned, having attended to, & frequently visited, the school taught by Mr. Patrick Edwards in this place, several of us having children under his management, feel a pleasure in publicly expressing our satisfaction of the progress made by all the children under his care, in the first rudiments of the English language, and the correctness with which they read; and it is justly due to Mr. Edwards to declare, that their every performance surpassed our most sanguine expectations.

The mode Mr. Edwards teaches by, we think far preferable to any heretofore practised by any teacher. Witness our hands

"Mr. Edwards's method of teaching is entirely new, and only practised by himself: my children that have been under his care, have made a most astonishing progress; particularly my eldest son, near six years old, who has been under the tuition of Mr. Edwards about nine months; his improvement is rather a prodigy in the tuition of children, he having only an ordinary capacity.

## To the Voters of the city and county of Baltimore.

*Gentlemen,*

BEING solicited by many of my friends, both in City and county, to offer myself a candidate for the office of SHERIFF, I have taken the liberty of soliciting your suffrages at the ensuing election, as I consider myself qualified, (from long experience as assistant to the present and two preceding Sheriffs) to discharge the important duties attached to that office. My engagements will continue to prevent a personal application to each individual, whose approbation I am anxious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites, I hope the want of a personal interview will be no material objection against

## For Sale.

THE Subscriber offers for sale, a valuable TRACT OF LAND, situated in Wharton township, Fayette county, Pennsylvania, on the waters of Big Sandy Creek, about nine miles from Union town, and about 1 1-2 miles from the main road, leading from Fort Cumberland to said town, containing three thousand acres, on which there is an appearance of a great quantity of Iron Ore, and about two hundred acres of rich bottom, through which the creek runs, which is a stream that never fails for water sufficient to work a merchant mill and furnace, which advantage is rare to be found in that country, and it is supposed the turnpike will run near, if not through the land. The subscriber will sell the above land low, and receive payment in goods for a great part of the amount. For further particulars, enquire of Clement Brooke, No. 8, North Howard-street.

## Notice.

*Will be sold to the highest bidder, on Friday the 12th day of September next, if fair, if not, the first fair day afterwards, unless disposed of at private sale before the first of September, in which case public notice will be give.,*

ALL that tract of Land called STEPNEY, lying and being in Anne-Arundel county, five miles from Annapolis, containing eight hundred and thirty-five acres The improvements on this farm are considerable, with many great advantages, there are several good orchards on it, with the choicest fruits of every kind; its situation almost immediately upon South river ensures always good fish and oysters, and at the head of a creek, which bounds the farm on one side, is a considerable portion of excellent meadow ground. It would be too tedious more minutely to describe this land, as a person wishing to purchase would view the premises. One third of the purchase money must be paid in hand, and a liberal credit, with approved security, will be given for the balance. Any person desirous of purchasing at private sale, will make application to the subscriber, at Port-Tobacco, Charles county. An unexceptionable title will be given to the purchaser, and possession of the premises on the 1st day of January, 1807.

The prevailing disposition to encourage the progress of Literature—the peculiar favor which St. Mary's College has enjoyed—and the many splendid chances offered to adventurers by the above scheme, induce the managers to anticipate a rapid sale of the tickets. The drawing will commence as soon as a sufficient number is sold to authorize it. The managers have given bond to the state in the penalty of sixty thousand dollars, for the faithful payment of the prizes, which will be paid subject to a deduction of 15 per cent, 30 day, after the drawing is finished. Prizes not demanded within a twelve-month from the completion of the drawing, will be considered as a donation to the College.

Tickets to be had of the Managers, or to such persons as may be authorised by them.
