William Merryman

Informs his friends and the voters of the city an county at large,

THAT he continues to solicit their patronage for the office of *Sheriff,* at the ensuing election.

WE, the subscribers, of the city of Baltimore, do hereby certify, that Mr. William Merryman has acted towards us, as his creditors, in an honorable and upright manner—and has settled with us, we believe, to the utmost o his ability, and much to our satisfaction.

We are convinced his failure in business proceeded not from his own misconduct, but from those misfortunes incident to trade.

And further, after the insolvent act was passed in his favor, he shewed no disposition to use it to our injury, but made us, his creditors, such liberal propositions as to convince us of his correct intentions towards us.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.
