30 Dollars Reward.

RAN away from the subscriber, on Monday, the 31st of March last, negro HORACE, aged between 20 and 24 years, 5 feet 8 or 10 inches high, of a dark copper color; stout and well made; a fine set of teeth, which stand at a little distance apart; his head is covered with fine black hair; he has been brought up to wait in the house almost altogether, and to go with a carriage; he is excessively fond of liquor, & never fails to get drunk whenever an opportunity offers. Had on when he went away, a round hersey over-jacket and trousers, dyed of an olive color, striped blue and white linsey under-jacket, white yarn stockings, a fur hat much worn; his shoes pretty good; he took with him a pair of new dark-colored cloth trousers; a round dimity over-jacket; three white cotton shirts, ruffled at the bosom, one of them the ruffle is notted in points. It is probable he will change his dress, as he took with him a variety of other clothes; he plays well on the violin, one of which he took with him. It is more than probable he has gone either to Camden, in Delaware, (where he has an uncle living in the neighborhood, by the name of Scipo, a blacksmith) or to Philadelphia, to his father-in-law, by the name of Abram Register. The above reward will be given if taken out of the state, or twenty dollars in the state, and all reasonable charges paid by

30 *Dollars Reward.*

RAN away from the subscriber, on Tuesday the 4th inst. a negro man named BEN; he is a gardener and rough shoe-maker by trade, about 42 or 43 years old; his stature 5 feet 5, to five feet eight inches; stout and square built he has very black woolly hair; his eyes of a red cast, a flat nose and thick lips; his complexion very black; he is a very artful plausible fellow, and of great address. His cloathing when he eloped, consisted of an osnaburg shirt, an old snuff-colored round jacket, a striped red and white waistcoat, a pair of grey Bath coating pantaloons, a pair of white home-knit yarn stockings, a pair of coarse home-made shoes, & an old castor hat. He had also, an old great coat of Welch plains, which had once been of a purple color, but is now almost white, and a red Bandanoe handkerchief for a neckcloth, but as he has a variety of cloaths, he may have carried off others of a different description.

It is not improbable he may go to Baltimore, Alexandria, or Philadelphia, for he absconded about ten years ago, and remained in Baltimore upwards of two months, in the employment of a brick maker.

Whoever will take up the above negro, and secure him in any jail, so that I may get him again, shall receive the above reward of thirty dollars. To any person that will bring him home, I will give the following reward, viz: if taken one hundred miles or upwards from home, I will give fifty dollars; if taken from sixty to one hundred miles from home, I will give forty dollars; if taken from thirty to sixty miles from home, I will give thirty-five dollars; if taken within thirty miles of this place, I will give the above reward of thirty dollars, and I will also pay all reasonable expences of bringing him home.

All masters of vessels and others, are forewarned from harboring, employing or carrying off said slave, as I will prosecute such as do so with the utmost rigor of the law.

The prevailing disposition to encourage the progress of Literature---the peculiar favor which St. Mary's College has enjoyed---and the many splendid chances offered to adventurers by the above scheme, induce the managers to anticipate a rapid sale of the tickets. The drawing will commence as soon as a sufficient number is sold to authorize it. The managers have given bond to the state in the penalty of sixty thousand dollars, for the faithful payment of the prizes, which will be paid subject to a deduction of 15 per cent, 30 day, after the drawing is finished. Prizes not demanded within a twelve-month from the completion of the drawing, will be considered as a donation to the College.

Education and Removal.

THE Subscriber begs leave to inform the public, that his present house in Franklin-street is too distant from the residence of many friends, who wish to promote and to encourage his usefulness. He has therefore engaged a commodious house in Lexington-street, the third door east of Howard-street, and next to that of Oliver Polock, esq. For the present he will only pledge himself to accord with the following highly respectable vouchers; and that on Tuesday, the 20th instant, he will commence in the house last mentioned.

PATRICK EDWARDS.

FREDERICK-TOWN, *April* 25, 1806.

WE, the undersigned, having attended to, & frequently visited, the school taught by Mr. Patrick Edwards in this place, several of us having children under his management, feel a pleasure in publicly expressing our satisfaction of the progress made by all the children under his care, in the first rudiments of the English language, and the correctness with which they read; and it is justly due to Mr. Edwards to declare, that their every performance surpassed our most sanguine expectations.

The mode Mr. Edwards teaches by, we think far preferable to any heretofore practised by any teacher. Witness our hands.

Extract of a letter from Mr. W. ADDAMS, *to a respectable house in this city, dated Frederick-Town, April* 25, 1806.

"Mr. Edwards's method of teaching is entirely new, and only practised by himself: my children that have been under his care, have made a most astonishing progress; particularly my eldest son, near six years old, who has been under the tuition of Mr. Edwards about nine months; his improvement is rather a prodigy in the tuition of children, he having only an ordinary capacity.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Alegany county, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stories high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes hrough said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few arms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.

300 Dollars Reward.

RAN away from the subscriber, living at the White Marsh, Prince George's county, three slaves, named *Simon, Michael and Bill.* The first ran away on Whitsunday, 1805; he had procured the pass of a free negro called Moses Queen, and may probably have assumed his name. Simon is a dark mulatto, about twenty-two years old, 5 feet, 3 or 4 inches high, long face, has a strong voice, down cast look when spoken to. It is suspected he went towards Philadelphia, where he has several relations of the Queen family.

Michael, brother to Simon, went away about six weeks ago, is two years younger, nearly the same height, but not so slender. Had on when he went away, a blue vest, Welch kersey short coat and nankeen pantaloons. The father of these two men, is a free negro called Simon Queen, now working about Baltimore, or in the neighborhood thereof

Bill, cousin to Simon & Michael, is a bright mulatto, about twenty three years of age, nearly 6 feet high, has lost two of his upper fore teeth, and stammers in his speech; he went away last Sunday night. Had on nankeen pantaloons and kersey round jacket.

Whoever will apprehend the abovementioned slaves, or any of them, and lodge them in jail, so that the subscriber gets them again, will be entitled to fifty dollars for each, if apprehended in Maryland; and one hundred dollars for each, if taken out of said state. Moreover, all reasonable charges if brought home, to be paid by

B. G. BITOWZEY.
