The following TRACTS of LAND, lying in Allegany county, Maryland, viz.

1. "Land flowing with milk and honey," containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of Fort Cumberland, and on the waters of the Great Youngbushy, and about 4 miles distant from the main road leading through Virginia to the western county. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "Good Hope." This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expense. The Grist mill is three stories high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "Cornucopia." This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase. JAMES P. BOYD, 2aw

100 Dollars Reward.

RAN away, on the 26th instant, from the subscriber, living in Bush River neck, Harford county, Maryland, two negro men, one named BEN, about 35 years old, 6 feet high, straight and well made, of a darkish complexion; high nose; has lost one of his upper fore-teeth; generally wears his wool platted or queued, and plays on the violin. The other, named HARRY, about 23 years of age, 6 feet high, darkish complexion; a remarkably handsome fellow, and when spoken to, has generally a pleasant countenance. The end of one of his little fingers has been mashed by a piece of timber, the nail split, and the end of the finger thereby rendered blunt; wears his wool generally platted and turned up with a comb. These negroes are brothers, and both very good sawyers, and are much accustomed to heading timber with the broad axe. Their common working cloaths were, a short round about jacket, of coarse brown cloth, and lined either with green or yellow baize, and shirts and trousers of Russia sheeting, with good felt hats. They probably took with them various other cloaths, which cannot be described. The above reward will be given, for securing the said negroes in any jail without the state of Maryland, or fifty dollars for each. If taken in Harford county, fifteen dollars, and if in any other county within the state, thirty dollars each, with all reasonable charges if brought home. PARKER MALL, 2aw

30 Dollars Reward.

RAN away from the subscriber, on Monday, the 31st of March last, negro HORACE, aged between 20 and 24 years, 5 feet 8 or 10 inches high, of a dark copper color; stout and well made; a fine set of teeth, which stand at a little distance apart; his head is covered with fine black hair; he has been brought up to wait in the house almost altogether, and to go with a carriage; he is excessively fond of liquor, & never fails to get drunk whenever an opportunity offers. Had on when he went away, a round kersey over-jacket and trousers, dyed of an olive color, striped blue and white linen under-jacket, white yarn stockings, a fur hat much worn; his shoes pretty good; he took with him a pair of new dark-colored cloth trousers; a round dimity over-jacket; three white cotton shirts, ruffled at the bosom, one of them the ruffle is noted in points. It is probable he will change his dress, as he took with him a variety of other clothes, he plays well on the violin, one of which he took with him. It is more than probable he has gone either to Camden, in Delaware, (where he has an uncle living in the neighborhood, by the name of Scipio, a blacksmith) or to Philadelphia, to his father-in-law, by the name of Abram Reister. The above reward will be given if taken out of the state, or twenty dollars in the state, and all reasonable charges paid by WILLIAM B. SMITH, 1aw

Valuable Property for Sale.

The subscriber will dispose of that Valuable Farm and Improvements, which formerly belonged to old Major Rutter, containing 327 acres, (more or less) 140 whereof are covered with very heavy timber of various descriptions, distant from the city of Baltimore between 6 and 7 miles, and very convenient to the Falls Turnpike Road. It may be advantageously divided into two equal parts, allowing to each a just proportion of the timber.

Also, another tract of Land and improvements, within about the same distance from the city, westerly, containing 352 acres (more or less) a small proportion whereof is cleared, the residue as heavily timbered as any land in Baltimore county. On this tract there is an excellent situation for a Saw Mill, having a fall of 20 feet; the stream which runs through it, is thought sufficient to keep the mill employed about two-thirds of the year.

Also, a small tract of unimproved Land within 4 miles of the city, containing 45 acres (more or less) 2-3 whereof are covered with timber, the residue clear. This tract has the advantage of the New-Liberty road passing through the upper and cleared part of it, which renders it an eligible situation for a Public House.

Also, another small tract and improvements within 2 1-2 miles of the city, containing 24 acres (more or less) adjoining the country seats of Mr. John Carrere and Job Smith, esq. and opposite to Mr. James Bryden's; it is beautifully situated, and has the advantage of 2 new-falling springs of water.

Also, a handsome 2 1-2 acre Lot, on Whetstone Point, fronting on the left side of the road leading to the Fort, and extending back to the river.

Also, a very spacious Lot of Ground and improvements, suitable on the corner of Fayette and North-streets, containing on the former 66 feet, running and binding on the latter 155 feet to a public alley, leading into Howard-street--in fee.

NO Members of society deserve more respect and regard, than those who are engaged in the investigation of the maladies to which our nature is subject, and who are enabled to provide means to restore health, and ease to those who have lost them. Some disorders of the human frame are confined to persons of particular habits and dispositions, and hence are not the subject of general anxiety; but no man is exempt from liability to be attacked with the GOUT, RHEUMATISM and other Chronic pains. However careful we may be not to expose ourselves to those situations which are apt to engender those painful, acute and trying sensations, there are seasons, when no caution is effectual, and no mode of prevention successful: hence it is peculiarly gratifying to reflect, that though we may have been filled in our hope of hindering the approach of these afflicting tortures, yet we may rest perfectly assured, that when we experience them, we have a certain remedy, which in numberless instances has demonstrated its resistible efficacy in eradicating all those feelings which agonize the mind, which debilitate the body, and which render the energies of the strongest men helpless and unserviceable. That there has been a great variety of medicines vended with no other view than to profit by the credulity and ignorance of the multitude, is indisputable; and this has brought the whole of this class of remedies into disrepute. But as there is no general rule without an exception, so we must admit that the Gout and Rheumatic Drops prescribed by the famous Dr. TISSOT, and which are universally administered in these disorders, by all the medical gentlemen of eminence in Great-Britain, and on the continent of Europe, must not be considered in the same light, as the trash which is often sold for medicines of extraordinary virtue and influence. No case of Chronic disorder has yet been heard of, the pains of which, the administration of Dr. TISSOT'S Gout and Rheumatic Drops, did not speedily alleviate, and by regular attention to the directions, effectually remove. The most inveterate tortures, always excited by the least cold, have submitted to the gentle but powerful operation of this invaluable recipe; and the attestations of persons of the most irrefragable credibility, are at all times ready to testify its incomparable benefits. Many travellers, masters and mates of vessels, always have it in their possession, and use it as a cordial, not only to give relief in actual pain, but to prevent the attack of Rheumatism. It is therefore most confidently recommended to the attention of all those whose avocations expose them to that variety of complicated agony and torture, which are generally known by the names of Lumbago, Rheumatism, Gout, Sciatica, Cramp, &c. &c. The certificates of general C. Ridgely, of Hampton; John Gibson, esq. Annapolis; John Macubbin, esq. and Mrs. Macubbin, Anne Arundel county; Mrs. M. Ryan, Calton Place; Mr. Thomas Kelso, and Mr. Thomas Campbell, of the city of Baltimore, which have been already published, together with several others now in the possession of George Dobbin and Murphy, agents for the proprietor, precludes the necessity of further comment.
