The following TRACTS of LAND, lying in Allegheny county, Maryland, viz.

1. "Land flowing with milk and honey," containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain...

2. "Good Hope." This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossing, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expense. The Grist mill is three stories high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "Cornucopia." This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money was required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase. JAMES P. BOYD, 2aw

100 Dollars Reward.

RAN away, on the 26th instant, from the subscriber, living in Bush River neck, Harford county, Maryland, two negro men, one named BEN, about 35 years old, 6 feet high, straight and well made, of a darkish complexion; a high nose; has lost one of his upper front teeth; generally wears his wool platted or graced, and plays on the violin. The other, named HARRY, about 25 years of age, 6 feet high, darkish complexion; a remarkably handsome fellow, and when spoken to, has generally a pleasant countenance. The end of one of his little fingers has been mashed by a piece of timber, the nail split, and the end of the finger thereby rendered blunt; wears his wool generally platted and turned up with a comb. These negroes are brothers, and both very good sawyers, and are much accustomed to hewing timber with the broad axe. Their common working clothes were, a short round about jacket, of coarse brown cloth, and lined either with green or yellow baize, and shirts and trousers of Russia sheeting, with good felt hats. They probably took with them various other cloths, which cannot be described. The above reward will be given, for securing the said negroes in any jail without the state of Maryland, or fifty dollars for each. If taken in Harford county, fifteen dollars, and if in any other county within the state, thirty dollars each, with all reasonable charges if brought home. Valuable Property for Sale.

The subscriber will dispose of this Valuable Farm and Improvements, which formerly belonged to old Major Raiter, containing 327 acres, (more or less) 140 whereof are covered with very heavy timber of various descriptions, distant from the city of Baltimore between 6 and 7 miles, and very convenient to the Falls Turnpike Road. It may be advantageously divided into two equal parts, allowing to each a just proportion of the timber.

Also, another tract of Land and improvements, within about the same distance from the city, westerly, containing 352 acres (more or less) a small proportion whereof is cleared, the residue as heavily timbered as any land in Baltimore county. On this tract there is an excellent situation for a Saw Mill, having a fall of 20 feet; the stream which runs through it, is thought sufficient to keep the mill employed about two-thirds of the year.

Also, a small tract of unimproved Land within 4 miles of the city, containing 45 acres (more or less) 2-3 whereof are covered with timber, the residue clear. This tract has the advantage of the New-Liberty road passing through the upper and cleared part of it, which renders it an eligible situation for a Public House.

Also, another small tract and improvements within 1-2 miles of the city, containing 24 acres (more or less) adjoining the country seats of Mr. John Carrere and Job Smith, east and opposite to Mr. James Bryden's; it is beautifully situated, and has the advantage of 2 never-failing springs of water.

Also, a handsome 2 1/2 acre Lot, on Wheatstone Point, fronting on the left side of the road leading to the Fort, and extending back to the river.

Also, a very spacious Lot of Ground and improvements, suitable on the corner of Fayette and North-streets, containing on the former 66 feet, running and binding on the latter 155 feet to a public alley, leading into Howard-street--in fee.
