P. Williamson's celebrated

ELASTIC THREE SLIT METALLIC PEN,
which has been pronounced, by many of the most eminent men, to be far superior to any metallic Pen that has ever been made heretofore, either in Europe or America; it is well known that all the Pens upon the former principle have been wanting in that pliability which all Pens should have in order to write with smoothness and rapidly, and in this it is happily effected by the two additional side slits.
Also, Perpetual Almanac Cases with Pens or Pencils or both, the novelty and utility of which will render it far preferable to any common pencil case, the difference in the price being insignificant, may be had of the above, or Mr. George Aiken, No. 72, Market-street, Baltimore.
N. B. Considerable discount made to those who purchase a quantity. January 2. 1a

AS MR. THOMAS SUTTON was on his passage from Annapolis to this city, he fell overboard, and was unfortunately drowned on the morning of the 23d of December, near North Point. Means have been used for the recovery of the body, but the persons employed therein have been unsuccessful. The object of this advertisement is respectfully to request those who may find the body, to return it to his afflicted parents, if practicable. A generous reward will be given, and compensation made for all expense attending it. If it is not convenient to send the body to Baltimore, they will lay his parents under a perpetual obligation by decently interring it.
The following is a description of his person and dress: He had on a black close coat, a pair of orange colored pantaloons, and a great coat of thick hairy cloth—he was about 5 feet 8 inches high, thin face, with prominent features, and light hair grayed.
