Doctor Thomas Hamilton,

No. 12, HARRISON-STREET, A few doors from Market-street, Begs leave to inform his friends and the citizens of Baltimore, and its vicinity, that he practices MEDICINE, SURGERY and MIDWIFERY. DOCTOR HAMILTON flatters himself that he is entitled to the confidence of the public, from his having been in the practice of his profession for above twenty years, the greater part of which time his residence was in London, in the vicinity of St. Bartholomew's hospital, where an intimate connexion with the gentlemen of the faculty, to whose care it was entrusted, afforded him very ample opportunities of making himself acquainted with the progressive improvements which have taken place both in medicine and in the performance of SURGICAL OPERATIONS. Were he not anxious to avoid what might perhaps by some be considered as the boast of an empiric, he could lay before the public sufficient proofs of his medical character, and of the surgical operations he has been in the habit of performing, during his residence in this and the neighboring state (Virginia) for the last seven years.

Such much he has been induced to say of himself from a conviction, that a medical man, offering himself to the notice of the public, should accompany a claim upon their confidence with the grounds upon which he founds his pretensions. January 7. d4t-2aw4t
