

Sale by Auction.

The real estate of Dr. Robert Pottenger, deceased, lying in Prince George's county, and state of Maryland, about five miles from Queen Anne, and twenty from George Town; containing between eight hundred and a thousand acres of Land.

THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved pieces in the state.

The sale will be made on the premises, on Wednesday, the 18th of February next, at 11 o'clock, in conformity to a decree of the High Court of Chancery (the estate not admitting of a division among the representatives of the deceased); and the certainty which the subscriber feels, that those who are inclined to become purchasers, will view the premises before the day of sale, renders any further description of them unnecessary.

The purchase money must be paid, in four equal annual instalments, the purchaser giving bond with approved security for the payment of each instalment, with interest thereon, annually, from the day of sale. On the payment of the purchase money, with the interest thereon, a conveyance will be made to the purchaser, by the subscriber, in virtue of, and pursuant to, the said decree.

And on single risks of the first class the sum of 40,000 dollars can be insured. Orders will be made out agreeably to the company's directions, and property examined free of charge. INSURANCES UPON LIVES.

By the Pelican Life Insurance Company, OF LONDON. THE Pelican Life-Insurance Company, of London, was established in the year 1797, by numerous and respectable proprietors, upon an extensive capital, vested in the public funds, with the additional responsibility of every individual proprietor. The board of directors, in consequence of repeated applications on the subject, having determined to extend their engagements to the continent of America, deem it proper briefly to suggest to the minds of the public, the numerous and important benefits resulting from such an institution to every rank and class of society. Persons in the receipt of income arising from estates dependent upon life—profit in business—offices, civil or military—by the yearly payment of a moderate premium, may secure at their death an adequate provision for their families, relations or friends. Fines payable on leases, renewable at the death of particular persons, may be provided for by insuring the lives of such persons. Insurance affords the means of reimbursement to those who advance money upon life-annuities, and in many cases furnishes ample security for the loan of money. Persons entitled to property in expectancy or reversion, or upon attaining a given age, may secure an equivalent, in case their interests should be affected by premature death. In a variety of other instances, and most peculiarly as applicable to persons engaged in commercial pursuits, or in the enjoyment of casual income, this valuable precaution will establish a resource to which families may look with confidence and security, and by which the distresses too often attendant upon human life, may be alleviated or effectually prevented. The Rates of Premium for such Insurances will be rendered as moderate as possible, and in every instance proportioned to the Age, Health, and other Circumstances of the Lives assured. Persons desirous of proposing Insurances, either upon their own Lives, or the Lives of others in which they are interested, or of obtaining further particulars and information, are requested to apply at the Phoenix Fire Office Second-street, where a list of the proprietors may be seen. January 16. d4t-eo8t

The directors of the Liberty

COMPANY of Baltimore, are under the painful necessity of reminding many of the members, that they have not discharged their annual contributions, due on the 28th April last: In consequence of which the directors are obliged to obtain money from the banks, when their funds, if paid, would be equal to their expenditures. They have authorized Mr. Samuel French, to call upon those in arrears; and it is confidently hoped, that his application will be attended to. Those who may be found on the list of delinquents, at the meeting of the board on the first Wednesday in February, will be charged with the penalty of one cent per day, from the 8th of May, last according to the constitution.
