Doctor Thomas Hamilton,

No. 12, HARRISON-STREET,
A few doors from Market street,
Begs leave to inform his friends and the citi-
zens of Baltimore, and its vicinity, that he practices
MEDICINE, SURGERY AND MIDWIFERY.

DOCTOR HAMILTON flatters himself
that he is entitled to the confidence of the pub-
lic, from his having been in the practice of his
profession for above twenty years, and that
the greater part of which time his residence was
in London, in the vicinity of St. Bartholomew's
hospital, where an intimate connection with the
gentlemen of the faculty, to whose care it was
entrusted, afforded him very ample opportuni-
ties of making himself acquainted with the
progressive improvements which have taken
place both in MEDICINE and in the performance
of SURGICAL OPERATIONS.

Were he not anxious to avoid what might
perhaps by some be considered as the boast of
an empiric, he could say before the public suf-
ficient proofs of his medical character, and of
the surgical operations he has been in the ha-
bit of performing, during his residence in this
and the neighboring state (Virginia) for the
last seven years.

Thus much he has been induced to say of
himself from a conviction, that a medical man,
offering himself to the notice of the public,
should accompany a claim upon their confi-
dence with the grounds upon which he founds
his pretensions.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Al-
legany county, Maryland, viz.

1. "Land flowing with milk and honey," con-
taining in the whole about 2747 acres. A great
portion of this tract is in natural meadow,
which is intersected by a number of small riv-
ulets; the remainder is heavily timbered,
and well adapted to the raising of small grain.
It lies about forty miles to the south-west of
Cumberland, and about 4 miles distant from
the main road leading through Virginia to the
western country. The same is divided into
small tracts, comprising from 300 to 400 acres
each, to suit purchasers.

2. "Good Hope." This tract lies contigu-
ous to the "Land flowing with milk and hon-
ey," and contains 389 acres, 120 whereof are
natural meadow, the residue is heavily timber-
ed, and in the certificate is described "the
first quality land."

3. "Clover Bottom" lies on the Little Cross-
ings, about 3 miles south of Braddock's road,
contains 132 acres of land, a part of which is
well calculated for meadow, the remainder is
well timbered, and of the first quality. On
this tract there is a Grist and Saw mill,
both of which might be put into good order,
at a very small expense. The Grist mill is
three stories high, and has an excellent pair of
country stones; there is also a wheel for a pair
of Burrs.

4. "Cornucopia." This tract contains 1100
acres, and is the residence of Mr. Dan. Grau.
The improvements are, a large and comfort-
able dwelling-house, and an extensive barn
with stabling underneath; a young thriving
orchard, and about 100 acres of cleared land
under good fencing. Braddock's road passes
through said farm, which makes it an eligi-
ble stand for a public house, being about
twenty-two miles from Fort Cumberland. Few
tracts in Maryland, the same distance from
Baltimore, are more valuable than this. It is
of the first quality as to soil, heavily timbered,
and nearly the one half of it well adapted to
timothy meadow; the residue equally well
adapted to the raising of wheat, rye, oats, &c.
The one-fifth of the purchase money will be
required in hand, the residue in five annual
payments. Mr. Grant will show the above land
to any person who should be inclined to pur-
chase.

INSURANCES UPON LIVES,
By the Pelican Life Insurance Company,
OF LONDON.

THE Pelican Life Insurance Company, of
London, was established in the year 1797, by
a numerous and respectable proprietary, upon
an extensive capital, vested in the public
funds, with the additional responsibility of
every individual proprietor. The board of
directors, in consequence of repeated applica-
tions on the subject, having determined to ex-
tend their engagements to the continent of
America, deem it proper hereby to suggest to
the minds of the public, the numerous and
important benefits resulting from such an in-
stitution to every rank and class of society.

Persons in the receipt of income arising
from estates dependent upon life—profits in
business—offices, civil or military—by the
yearly payment of a moderate premium, may
secure at their death an adequate provision
for their families, relations or friends. Fines,
payable on leases, renewable at the death of
particular persons, may be provided for by in-
suring the lives of such persons. Insurance
affords the means of reimbursement to those
who are proportioned to the annuities, and
in many cases furnishes an ample security for
the loan of money. Persons entitled to property
in expectancy or reversion, or upon attaining
a given age, may secure an equivalent, in
case their interests should be affected by pre-
mature death. In a variety of other instances,
and most peculiarly as applicable to persons
engaged in commercial pursuits, or in the en-
joyment of casual income, this valuable pre-
caution will establish a resource to which fam-
ilies may look with confidence and security,
and by which the distresses too often attend-
ant upon human life, may be alleviated or ef-
fectually prevented.

The Rates of Premium for such Insurances
will be rendered as moderate as possible, and
in every instance proportioned to the Age,
Health, and other Circumstances of the Life
assured.

Persons desirous of proposing Insurances,
either upon their own Lives, or the Lives of
others in which they are interested, or of ob-
taining further particulars and information,
are requested to apply at the Phenix Fire Of-
fice Second-street, where a list of the propi-
etors may be seen.

painful necessity of reminding many of the
members, that they have not discharged their
annual contributions, due on the 28th April

when their funds, if paid, would be equal
to their expenditures. They have authorized
Mr. Samuel French, to call upon those in ar-
rears; and it is confidently hoped, that his ap-
plication will be attended to. Those who
may be found on the list of delinquents, at
the meeting of the board on the first Wednes-

penalty of one cent per day, from the 8th of

Mills for Sale.

THESE highly reputed and valuable Mills,
Beverly Falls, with thirty acres of land,
situated on the Banks of Hudson river,
state of New York, and about sixty miles from
the city. This property comprehends two
Grist Mills, with five run of stones on the
most modern and approved principle, together
with a complete set of machinery, such as
elevators for wheat and flour, conveyors, hop-
per-bags and kreens, agreeably to the latest
improvements of Evans's system. The Beck-
ing Cloths are new, and the whole in excellent
repair. Also, a Saw-Mill and two Dwelling-
Houses, commanding a beautiful and romantic
view of the Hudson and West-Point; a Cow-
her's Shop and Dwelling, together with other
out-houses and conveniences necessary to ren-
der the establishment complete. Likewise, a
fall of about thirty feet high, unoccupied, im-
mediately above the present mills, extremely
well calculated for a Paper-Mill, or any other
factory, without in the least interfering with
the other mills. The advantages attending
this property are numerous, and of a nature
which rarely characterize singular establish-
ments. Situated in the vicinity of so impor-
tant a market as New-York, and on so respect-
able a navigation as Hudson river, the only
route for the produce of the Northern and
Western World, a facility of purchasing the
wheat at the mill, and of sending the produce
to market, is here experienced to an extent
which no other situation can boast of. From
40 to 50,000 bushels of wheat has been man-
ufactured annually between March and January,
and from 60 to 70,000 could with equal ease
be ground were the winter season excluded,
which of late years has been so mild that the
interruption of the navigation has seldom been
of long continuance.

The security and convenience of a sloop of
any burthen lying so contiguous to the mill
that the elevators discharge the cargo where-
ever the Miller wishes to deposit it, and the
facility of loading the flour on board immedi-
ately from the Mill door, so materially dimi-
nishes labor and expedites business that one
vessel will be found sufficient to serve the
factory, and perform more than two ordinarily
do in such employ.

Also, a Tract of 1000 acres of Land, situat-
ed about 60 chains from the above Mills, well
covered with timber, on which is an excellent
iron mine and through which the Buttermill-
Fall stream passes, affording several situations
or erecting of iron works.

The estate will be sold on reasonable terms,
and property in or near the city of Baltimore
will be taken at a fair valuation for one half
of the amount if required.

For terms apply to Charles Garts, in the city
of Baltimore; or to David Lydig, merchant,
New-York, by whom an indisputable title
