THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved places in the state.

The sale will be made on the premises, on Wednesday, the 18th of February next, if fair, if not, on the first fair day thereafter, at 11 o'clock, in conformity to a decree of the high court of Chancery (the estate not admitting of a division among the representatives of the deceased); and the certainty which the subscriber feels, that those who are inclined to become purchasers, will view the premises before the day of sale, renders any further description of them unnecessary.

The purchase money must be paid, in four equal annual instalments, the purchaser giving bond with approved security for the payment of each instalment, with interest thereon, annually, from the day of sale. On the payment of the purchase money, with the interest thereon, a conveyance will be made to the purchaser, by the subscriber, in virtue of, and pursuant to, the said decree.
